commandeering public expertise about the music Chapters also discuss critic Paul Eduard Miller and his attempts to develop a jazz canon as well as the disconnect between the spotlighted great men and the everyday realities of artists Tackling race in jazz education Prouty explores the intersections between identity and assessment bandleaders Stan Kenton and Maynard Ferguson public school segregation Jazz at Lincoln Center and more He further examines jazz s public pedagogy and the sometimes difficult relationships between jazz people and the general public Ultimately Learning Jazz posits that there is room for both institutional and noninstitutional forces in the educational realm of jazz
