Sons Of Earth:

The Earth and the Sons of Men Kenneth A. Faminu, 2009-08-29 The book *The Earth and the Sons of Men* is lucid and laconic very easy to read and to understand It is full of intrigues suspense and character manipulation It is really a religious fiction of the highest order The author carefully arranges and perfectly rearranges it as to appear mysterious In the beginning the creatures of the Creator like the Earth the Sky the Moon the Stars the Ocean the Sea the Day and the Night are personified as if they are beings Mother Earth accuses the sons of men of so many vices ranging from warmongering to rumormongering adultery idolatry rape assassination jealousy and arrogance She therefore warns them and promises that if they sons of men fail to desist from these acts of wickedness she would report them to their Creator The sons of men turned deaf ears to Mother Earths advice and committed injustice to humanity and other creatures like the Ocean Sea Day Night Stars and Rivers The only creature the son of man could not mess with is the Sun because of its distance and ferocity Hence Mother Earth called other creatures and briefs them on the atrocities sons of men are perpetuating on her Earth The authors personification of these creatures makes the whole scenario so fearful when you read and picture the catalogue of sons of mens wickedness enumerated by the Earth Mother Earth carefully informed the creatures that the sons of men are so arrogant and incorrigible that they refuse to agree that they are evil and are perpetuating evil she therefore begged and urged these creatures to join her to report these arrogant sons of men to their Creator She seriously implored them to be her witnesses before their Creator God These creatures agreed to be Mother Earths witnesses because they confess the sons of men have committed so many atrocities not only to Mother Earth but also to Ocean Sky Sea Rivers Night Day and even the Moon The systematic religious arrangement and relevant biblical quotations to back the accusations against sons of men show the deep knowledge of the scripture by the author Mother Earth requests an appointment with God through Jesus Christ in order to present her case The author deeply involves Jesus Christ as an authentic witness of Mother Earth during the crucial meeting with God the Creator Mother Earth the Ocean Sea the Sky the Day the Night the Stars the Rivers and the sons of men met with God on the appointed day and at the appointed place to present their cases The Creator listens very well he apportions blame to the sons of men and congratulates Mother Earth The author gradually ameliorates the tension of sharp and logical argument between sons of men and Mother Earth so that the reader could catch his or her breath to be able to see the facts the reasoning and the lessons in the book by allowing God to intervene as his final judgment While God accepts that he created sons of men to be the rulers of all things on Mother Earth he disapproves the acts of wickedness arrogance belligerence and immorality of sons of men The Creators philosophical conclusion makes me shudder and tremble when he pacified Mother Earth and said My spirit will not be with the sons of men because of their wickedness you may wish to know that the sons of men are mere dust they are taken out from you and to you they will return The lessons to be learned from this book are many that men should be free from every kind of wickedness evil greed depravity envy civil strife deceit

malice gossip slander God hating insolence arrogance and boasting How memorable will it be according to the wish of the author if some of our young actors and actresses could come together to make a film out of this book using voice over on the creation Dr T George MD

Daughters of Earth, Sons of Heaven Daniel Ricardo Casias, 2014-06-27 The human species on earth is a hybrid species born of earthly women and ancient male warriors who fell from outer space All ancient civilizations knew this because it happened in their time Their legend and lore tell of the exploits of these heavenly beings and their offspring The Christian Bible and the Jewish Talmud in the book of Genesis call these extraterrestrial warriors various names in different translations They are referred to as heavenly beings sons of God giants on the earth and of course sons of heaven But all translations of the Bible narrate the same simple story After the fall the sons of heaven saw that earthly women were beautiful and they took them for their wives These daughters of earth were beautiful both to the eye and mind These daughters of earth carried in them the seeds of our civilization compassion cooperation and understanding The product of this union became not only our hybrid species but the heroes and great men and women throughout recorded and unrecorded history We are them Rico is the last remaining son of heaven on earth who fell here in ancient times to father our civilization Lost alone and broken he grieves the mortality of his hybrid species They do not share his impossibly long lifespan Living among them is constant loss pain and grief Rico also grieves his hybrid species dark side Some offspring retain the unquenchable hunger for flesh of their earth ancestors and the long lifespan of the sons of heaven The ugly head of Tarquez periodically scars the history of humankind with death destruction and sorrow Tarquez is one of those hybrids born of the first generation of the union who retained both the unquenchable hunger for flesh and the long life span of the sons of heaven
