Wagaw,1993 Between 1977 and 1992 practically all Ethiopian Jews migrated to Israel This mass move followed the 1974 revolution in Ethiopia and its ensuing economic and political upheavals compounded by the brutality of the military regime and the willingness after years of refusal of the Israeli government to receive them as bona fide Jews entitled to immigrate to that country Based on fieldwork conducted over several years For Our Soul describes the ongoing process of adjustment and

absorption that the Ethiopian Jewish immigrants also known as Falasha or Beta Israel have experienced in Israel As the sole black Jewish community from sub Sahara Africa in Israel the Ethiopian Jews have met with unique difficulties Teshome Wagaw examines the problems between the Falasha and Israeli Jews that have resulted from dissimilarities in language culture religious practices education technology race and class Further he considers the various conflicts that have arisen in villages schools and workplaces as the immigrants have interacted with the larger community In these contexts Wagaw analyzes the issues of modernity work skills and habits family formation and methods of presenting self To further clarify the concerns that have developed among both the immigrants and the Israeli society the author addresses the history of the Falasha their religious and occupational practices in Ethiopia their social occupational and religious status in Ethiopia and the adversity they experienced as they navigated from their homeland to Israel He also provides a brief but insightful analysis of the history of Israel prior to and since statehood **Baily's Magazine of Sports and Pastimes** Tresham

Gilbey,1898 **Sovereign Authority and the Elaboration of Law in the Bible and the Ancient Near East** Dylan R.
