Live Your Sunshine Lesley MacCulloch, 2017-07-11

We are brought up in a world where living in fear is both encouraged and accepted. It's normal to feel doubt, to feel guilt, to feel anger, to feel a failure. It's normal to lack enjoyment, self-confidence, and fulfilment. It's normal to live our lives according to what other people want of us, or what we think other people want of us, and to feel that in a world where we constantly criticise and compare, we were simply not good enough. But good enough for what? And in whose view? It's time to turn that thinking around. You are good enough. You were born with confidence and a healthy self-esteem. You were born to smile more. You were born to feel ease, to feel well, and to listen to your heart and your intuition. And you can reconnect with that you. You can live true to yourself, and you can feel contentment, joy, and harmony. You can find peace, acceptance, and inner strength. You are perfect, human, worthy. You are special. You are you, and the world needs you. Free the spirit that's still burning deep inside you, and shine. You are, and you can.
