Student Ministry That Leaves a Mark Gary Blair, Zusiak, John Mouton, Kevin Greer, 2003

Christ-Enlivened Student Affairs Perry Glanzer, 2020-06-02 How does the Christian faith inform Christian student affairs practice? How should it? Instead of placing Christ outside the realm of education, Christ should serve as the motivating and animating force for all of Christian student affairs. With Christ at the center of education, the Christian story distinctly transforms the nature of the work education professionals do. With research from a national mixed methods study, *Christ-Enlivened Student Affairs* avoids the common response of anecdotal evidence by providing a catalog of some of the best thinking and practices in the field. Glanzer, Cockle, Graber, and Jeong use the framework of educational philosophies to trace how Christianity animates the who, why, what, and how of student affairs, offering evidence-based resources and new tools for engaging new practitioners in the field and a larger theological perspective for Christian student affairs.

Rediscovering the Spiritual Disciplines for Today's Ministry Leadership: A Journey of Proactive Spiritual Formation for Leaders Dr. Steve A. Maglio, 2021-10-29 Military chaplains are highly trained professionals with multiple graduate degrees and varying civilian pastoral experience. They enter the chaplaincy after a rigorous selection process and military courses which all must verify their calling to military ministry. Throughout a chaplain's career, he or she will attend many continuing education seminars, civilian education graduate programs, and conferences all provided by the military. However, chaplains are challenged with the rigorous multitasked environment of this ministry. Multiple deployments into combat have negatively impacted the personal lives of those seeking to care for the souls of the soldier. This book encourages the importance of spiritual resiliency in the lives of leaders, both military and civilian. Leaders who regularly practice spiritual disciplines will be less likely to suffer personal and professional failure or burnout. Second, the leader's practice of spiritual disciplines is essential to fostering positive modeling and mentoring for young chaplains and those wishing to serve. Third, practicing historic Christian spiritual disciplines will benefit those who strive to lead congregations and especially military installations in the free exercise of their faith.
