Soul Of Politics Beyond Religious Right And Secular Left:

Soul of Politics: Beyond "Religious Right" and "Secular Left" Jim Wallis, 1995-09 The Soul of Politics responds to signs of cultural breakdown and political impasse with a resounding call to reintegrate politics and spirituality Wallis draws on his own experience in the urban ghettos of Washington D C to show why traditional liberal and conservative options that emphasize either social justice or personal values fall short of solutions

The Soul of Politics Jim Wallis, 1995 The Soul of Politics responds to signs of cultural breakdown and political impasse with a resounding call to reintegrate politics and spirituality Wallis draws on his own experience in the urban ghettos of Washington D C to show why traditional liberal and conservative options that emphasize either social justice or personal values fall short of solutions Beyond Religious Right and Secular Left Rhetoric K. Fry, 2014-06-05 This book covers arguments made by various sides of the political religious divide from the past 30 years showing what the actual differences are between these groups By stressing the typically ignored similarities the book better informs partisans and the public to move debate forward

Masculinity Studies and Feminist Theory Judith Kegan Gardiner, 2002-01-09 Why is there so much talk of a crisis of masculinity How have ideas of manhood been transformed by feminism Does feminism hold the key to the development of more egalitarian forms of masculinity Masculinity Studies and Feminist Theory addresses central questions about the analysis and construction of masculinity in contemporary society The volume examines the ways male privilege and power are constituted and represented and explores the effect of such constructions on both men and women With subjects ranging from Robert Bly's Iron John to Tom Hanks' niceness this collection overturns old paradigms about identity victimization and dominant and alternative forms of masculinity to advance new dialogues between masculinity studies and feminist theory Looking particularly at literature film and classroom practices Masculinity Studies and Feminist Theory links the analysis of masculinities with feminism's ethical and political agenda for the future Its authors share a conviction that such a link not only reveals the persistence now more subtle and varied of male entitlement but also promises to create an enriched and reinvigorated feminism for a new century Why is there so much talk of a crisis of masculinity How have ideas of manhood been transformed by feminism Does feminism hold the key to the development of more egalitarian forms of masculinity Masculinity Studies and Feminist Theory addresses central questions about the analysis and construction of masculinity in contemporary society The volume examines the ways male privilege and power are constituted and represented and explores the effect of such constructions on both men and women With subjects ranging from Robert Bly's Iron John to Tom Hanks' niceness this collection overturns old paradigms about identity victimization and dominant and alternative forms of masculinity to advance new dialogues between masculinity studies and feminist theory Looking particularly at literature film and classroom practices Masculinity Studies and Feminist Theory links the analysis of masculinities with feminism's ethical and political agenda for the future Its authors share a conviction that such a link not only reveals the persistence now more

subtle and varied of male entitlement but also promises to create an enriched and reinvigorated feminism for a new century

Religion and the State Natalie Goldstein, 2010 Presents a guide to the issues related to religion and the state including definitions primary sources important documents research tools organizations and notable persons **Nigerian Politics and Corruption** Kyrian Chukwuemeka Echekwu, 2017-06-02 Corruption is alive and well in Nigeria and it must be eliminated Moreover the Nigerian church can no longer watch it go unchecked Though conscious of his limitations as a priest and theologian the author takes an in depth look at how corruption has taken hold of Nigeria and its people in this scholarly work He challenges the church as a socio moral actor and the civil authorities that govern Nigeria arguing that the nation will collapse if corruption continues He notes that even though the Nigerian people have lashed out against corruption it has only gotten worse either because morality has been relegated to the background or not enough has been done to inculcate morality into Nigeria s politics The author employs a holistic approach in examining issues such as bishops and their vision of Nigeria vis vis Nigerian politics democracy and the power equation among the various arms of government principal biases that characterize Nigerian politics and class affiliation and its impact in Nigerian politics Find out how corruption is ruining Nigeria and discover how the church and government can work together to fix the problem in Nigerian Politics and Corruption Subverting Scriptures B. Benedix, 2009-10-26 This collection seeks to fill the interdisciplinary space that addresses when why and how writers strategically reference the Bible for subversive or re evaluative purposes It explores the specific biblical pieces used this subversion and why they are used with reference to many contemporary sources *The Church and Politics* Bernard Boyo, 2021-05-10 The Church and Politics offers an introduction to African political theology that is thorough practical and deeply powerful From traditional power structures to the political ramifications of colonialism Dr Bernard Boyo provides a foundation for understanding Africa s contemporary political concerns in their cultural and historical context Alongside this overview of African political history Boyo traces the impact of Western missionaries evangelicals liberation theology and African theologians on the church s understanding of itself and its role within society This book critiques the emphasis on individual salvation that has so often led the church into abdicating its societal responsibilities and provides an exegetical analysis that firmly roots political engagement within a scriptural framework The church we are reminded has a mandate to bring justice and righteousness into every aspect of human experience As we follow Christ it is not just our personal lives that should be transformed but our communities and even our nations **Brave New Words** Elizabeth Ammons, 2010-06-01 Brave New Words challenges present and future literary scholars and teachers to look beyond mere literary critique toward the concrete issue of social change and how to achieve it Calling for a profound realignment of thought and spirit in the service of positive social change Ammons argues for the continued importance of multiculturalism in the twenty first century despite attacks on the concept from both right and left Concentrating on activist U S writers from ecocritics to feminists to those dedicated to exposing race and class biases from Jim Wallis and Cornel West

to Winona LaDuke and Paula Moya and many others she calls for all humanists to link their work to the progressive literature of the last half century to insist on activism in the service of positive change as part of their mission and to teach the power of hope and action to their students

The Voice of Conscience Lewis Baldwin, 2010-09-28 Martin Luther King Jr is celebrated widely as the quintessential model of Christian activism in his time but his understanding of and vision for the church has been surprisingly neglected In this book Lewis V Baldwin contends that King was fundamentally a man of the church Beginning with King s roots in Atlanta s Ebenezer Baptist Church Baldwin traces the evolution of King s attitude toward the church through his college seminary graduate school and civil rights years The emphasis is on King s concept of the church as the voice of conscience Baldwin persuasively claims that King challenged the church over the need for a higher spiritual and ethical ideal and that King s moral leadership and eventual martyrdom did much to reestablish the credibility of the church at a time when some theologians were declaring the death of God Baldwin critiques the contemporary church on the basis of King s prophetic model and concludes by insisting that this model not the entrepreneurial spirituality of the contemporary megachurches embodies the best potential for much needed church renewal

From Panthers to Promise Keepers Judith Lowder Newton, 2005 *From Panthers to Promise Keepers* draws on intimate observations of the men and networks who were involved in what some have called Othe menOs movementO and tells us why these networks mattered Focusing on the decades between 1950 and 2000 it argues that while public structural change is necessary for gender equality getting men involved in efforts at social justice may well depend on their making changes with respect to feelings and with respect to their unconscious fears and anxieties as well

Failing America's Faithful Kathleen Kennedy Townsend, 2007-03-01 Blending inspirational memoir with a religious and political rebuke of American Christianity the oldest daughter of Senator Robert F Kennedy delivers a rousing call to arms for spiritual renewal For too long religion has been a political plaything of the right wing in this country American churches seem more concerned with what people do with their bodies than with their souls Now Kathleen Kennedy Townsend issues a spiritual call to arms to those who feel like her that today s churches Catholic and Protestant alike are failing to promote the welfare of those who depend upon them After recounting her personal story in one of the most prominent Catholic families in America she shows how America s neediest are now forgotten while their churches fight political battles against abortion rights and homosexual marriages She provides hope through powerful examples of individuals effecting change from obscure social workers to The Purpose Driven Life s Rick Warren and maintains that our individual actions can return our churches to their traditional role as shepherds to their flock

Jesus Made in America Stephen J. Nichols, 2010 Jesus is as American as baseball and apple pie But how this came to be is a complex story one that Stephen Nichols tells with care and ease Beginning with the Puritans he leads readers through the various cultural epochs of American history showing at each stage how American notions of Jesus were shaped by the cultural sensibilities of the

Conversational Preaching The Rev. Dr. Mike Sowards, D.Min., 2017-09-18 In *Conversational*

Preaching we are given an in depth investigation into how humans communicate and how understanding interpersonal communications skills can be of considerable value for those called to preach God's word Dr Sowards has made rather elegant use of the model of interpersonal communication as a device to explore preaching and communicating with congregants Dr Dalton Kehoe Senior Scholar Communication Studies York University Toronto Canada Sowards book advances the idea of conversational preaching beyond the merely metaphorical by applying practical insights from Interpersonal Communications Theory to the act of sermon crafting The Rev Dr Micah Jackson Ph D Bishop John Elbridge Hines Associate Professor of Preaching and Director of Comprehensive Wellness Seminary of the Southwest in Austin Texas This book is for preachers and students of preaching who want to become better preachers and communicators I have explored the theories of interpersonal communication and shown how preachers can benefit from such knowledge I described the concept of noise as an impediment to communications and explored the topic with regard to politics beliefs about the poor past religious experiences and having an underdeveloped faith I examined the concept of feedback and how effective feedback can be fodder for future sermons I developed a model for conversational preaching using interpersonal communications theory and state that the ultimate goal of any sermon would be to facilitate a conversation with the hearers of a sermon and God

The Soul of Politics Jim Wallis, 1994 This work responds specifically to the signs of cultural breakdown and political impasse in Western societies the absence of community the widespread poverty the violence racism and sexism

The New Spirituality Gordon Lynch, 2007-04-25 Much attention has been given in recent writings about religion to fundamentalism and the religious right But less attention has been given to their opposite the emergence of a new generation of progressive religious thinkers and organisations on the religious left The New Spirituality is one of the first books to give a comprehensive and authoritative account of this burgeoning progressive religious movement It offers a clear and engaging analysis of the cultural roots key ideas and organisational structures of this new faith assessing its significance in the changing moral and religious landscape of contemporary western society Gordon Lynch argues that we are witnessing the rise of a new religious ideology which reveres the natural world connects religious faith with novel scientific theories and has a forward looking agenda for society's transformation The New Spirituality will be essential reading for students attempting to understand the shape of religious belief in the twenty first century

Towards a Politics of Compassion Emeka Christian Obiezu, 2008 Wise beyond his years Johnny Black Hawk takes pride in his mixed heritage believing in the inherent good of both the Indians and whites Then the Civil War brings unbearable grief and suffering Amid troubles triumphs deception and daring Johnny struggles to follow his father's teachings about honor Emotions long dormant are revealed as he discovers decency in a person long considered evil and the miraculous faith of another once thought a fool Then the white man's broken promises and greed bring death and destruction to the Indian people and he must learn to listen with his heart to an ancient sacred voice But will he ever understand the meaning of his gift from the Grandfathers

Urban Churches: Vital Signs Nile Harper, 2005-03-14 Written by Nile Harper and six leading pastors this volume tells the stories of twenty eight urban churches that are successfully contributing to the transformation of inner city communities in fifteen major cities across America Atlanta Baltimore Chicago Cincinnati Cleveland Denver Detroit Houston Kansas City Los Angeles New York City Portland San Francisco Savannah and Washington D C

Godless Democrats and Pious Republicans? Ryan L. Claassen, 2015-06-15 This book argues that basic demographic forces are essential to understanding the rise of Evangelical Republicans and Secular Democrats

Ethical Marxism Bill Martin, 2013-12-01 This book aims to reinvigorate the Marxist project and the role it might play in illuminating the way beyond capitalism Though political economy and scientific investigation are needed for pure Marxism Martin's argument is that the extent to which these elements are needed cannot be determined within the conversations of political economy and other investigations into causal mechanisms What has not been done and what this book does is to argue for the possibility of a rethought Marxism that takes ethics as its core displacing political economy and scientific investigation
