Nicholas Kotar,2020-02-24 What if you could find all the answers to the problems of modern life in the wisdom of the past We live in a strange time Perpetually distracted and increasingly over medicated we still think we are in the most progressed people in history But scratch the surface and you ll see that our world is like a house built on sand We put much of our faith in science even as more and more of the truths we equate with scientific fact come under scrutiny The lack of repeatability of many experiments is a modern science s dirty little secret And much of what can be verified it turns out often merely confirms what history literature and religion have already taught us And so many people are turning to the past for comforting wisdom to inform the future This book is an exploration of the rich folk culture of Russia s past From songs of lamentation at funerals to the rules for naming a prince you ll find a fascinating glimpse into a world that is alien on the surface but familiar at its heart Reading it in light of modern life you can t help but be astounded at how much wisdom the Russian folk gathered through centuries and millennia of passed time and experience Who knows Maybe the answers to some of your life s pressing issues are found in the age long traditions explored in A Window to the Russian Soul Find out by buying A Window to the Russian Soul today *Windows of the Soul* Ken Gire,2011-01-04 Praise for Windows of the

Your Soul James Cantelon,2024-01-10 Have we forgotten how to pray Have we forgotten the purpose of prayer There is a huge need to rediscover prayer to rediscover the genius of the greatest template ever presented to mankind the Lord s Prayer Why Because Jesus is the ultimate teacher who brings us back to the basics and coaches us in praying the Lord s will not ours This book will encourage the reader to confidently pray God s will not theirs Meditating on the Lord s Prayer will lead the reader from a frustrating exercise in wish fulfillment to faith in the Lord s sovereignty that God does what is best Prayer as a means to instant gratification or a pleading for a cause will yield to prayer as an expression of partnership with the Lord providing a calm sense of spiritual security Those who pray will be secure in the knowledge that the Lord s will is

being done James Cantelon's reaffirming of the power of the Lord's Prayer is informed by more than fifty years of Christian ministry researching the scriptures and ministering to the needy and spiritually insecure His perspective is informed by four decades of praying with various and foreign cultures Israel many African nations and India

Mayes, 2022-11-21 I will put in the wilderness the cedar the acacia the myrtle and the olive Isa 41:19 This book explores pathways to renewal through the powerful metaphor of reforesting the desert places The soul can sometimes be an arid thirsty desiccated place becoming as exhausted and denuded as land that has been ravaged and stripped of its trees God's promise is to reforest the wilderness and renew our fruitfulness This book is a guided retreat simultaneously enabling attentiveness to the soul while resonating with urgent ecological concerns The rich symbolism of different trees both in the Bible and in the Christian tradition including hymnody and poetry leads us into meditation reflection and action As land that is reforested holds the promise of new beginnings so this book heartens us with pointers towards spiritual rejuvenation
