Ninth House meets The Hazel Wood in this richly written Booklist starred review sequel to the New York Times bestselling dark academia fantasy *Curious Tides* following Emory Baz Romie and Kai on their desperate quests through worlds and time. Opening locked doors has a price even for those who hold a key. After going through the door that called to them both in dreams, Emory and Romie find themselves in the Wychwood, the same verdant world written of in *Song of the Drowned Gods*, albeit a twisted, rotting version of it. A sinister force has awoken with their arrival, intent on destruction as it spills across realms, and now Emory and Romie must stop it before it reaches their own shores. Meanwhile, Baz and Kai are desperate to follow their friends through the door to other worlds, but a mishap pulls them back in time instead, where they come face to face with Cornus Clover himself, famed author of *Song of the Drowned Gods*. Stuck together in the past, they must navigate a very different Aldryn as they unravel the school's darkest secrets. Across time and worlds, Emory, Romie, Baz, and Kai find their fates eerily interwoven with the heroes from Clover's book. But when stories can't be trusted, friendships are put to the test, and deadly enemies are not always as they seem; they must decide who gets to be a hero and who is desperate enough to see themselves become a villain.

One young woman. Three animals made human. A forested world on the brink of destruction. A wager between sibling gods. A birthright recalled. A quest. For Morgan of the Wood, there are no gods. There is no such thing as faith. There is nothing to believe in but herself until one day her cat leads her deep into the woods to a sacred cave and a pale haired boy whose very existence challenges everything she believes. Called by Mai, the Son of the Ascendants, Morgan must make a choice to undertake a quest that will lead to the restoration of the One Who Was Made Two or to follow the path that she has unwittingly chosen, one that will end with her in the arms of Maaz the Black Hand.
