The Spiritual Journey Esther DeWaal,1993 A collection of guides to the spiritual journey The authors deal with such masters as Cassian St Benedict John of Forde and Carl Jung discussing ideas from East and West **Cistercian Studies Quarterly** ,1996 **The Sacred Art of Soul Making** Joseph Naft,2006-06 Deep within each of us dwells the source of peace purpose and love Yet we live in the chaotic dissonance of the superficial layers of our hearts and minds A sea of the most precious spiritual energies surrounds us inside and out yet our thirst remains unquenched our souls malnourished and unformed from the Introduction Bridging East and West *The Sacred Art of Soul Making* addresses the central questions of spiritual practice with the depth and subtlety they require and with unexpected clarity As Westerners raised in Christianity or Judaism progress in their Eastern practices they often find themselves drawn back toward their own religious roots and the search for the Divinity They may rediscover their need for a personal relationship with the Divine for the practice of prayer openness to conscience and the understanding of will found in the monotheistic religions Many people have not engaged Eastern meditative practices out of devotion to their own religion Those may well find the inner work forms of presence and meditation stripped of cultural trappings to be important adjuncts to the practice of prayer helping open the way to the sacred depths sought in Western religions This authentic substantive and multi faceted spirituality for our time begins where we are and ultimately takes us beyond consciousness toward the abode of the sacred That sacredness can touch and transform each of us if we make the necessary devoted effort This book helps make that possible **Mystic Journey** Robert Atkinson,2012-06-01 When we live our lives consciously universal motifs archetypes and timeless patterns emerge through which we discover not only who we are but also why we are deeply connected to all others This is life s greatest adventure it is thoroughly described in the world s wisdom traditions *Mystic Journey* uses a multi faith approach to

reveal the path of the soul this not a solitary quest but rather a superhighway meant for everyone As we explore the deeper story of our soul we also discover that we are living a lifelong process of soul making leading us ultimately to personal and collective transformation Getting to the heart of your soul s story is soul making Mystic Journey guides readers to Use their life stories to help solidify their identities Live with an eternal perspective in mind and Reclaim their common spiritual heritage This is a reminder of Keats immortal perception that the world is a vale of soul making and that the uses of psychology have to do with understanding the soul in transformation Stephen Larsen Ph D author of *The Mythic Imagination* and *A Fire in the Mind* Robert Atkinson s new book offers us a thoughtful and thorough guide to a new kind of heroics This is a rich read Gregg Levoy author of *Callings Finding and Following an Authentic Life* **The Soulmaking Room** Dee Dee Risher, 2016-04-01 In this personal story Dee Dee Risher weaves experiences from her life with the biblical story of the prophet Elisha and the Shunammite woman Risher is captivated by this spiritually attuned generous hospitable honest and bold woman The woman from Shunem extends radical hospitality to the prophet expecting no reward But when disaster strikes she does not hesitate to hold Elisha accountable or talk back Hidden in the story Risher believes are the questions that lead to a more authentic life What does it mean to build a holy room in our lives How honestly do we confront our inevitable losses and griefs As we work to transform our world how do we grapple with failure Do we have the kind of faith that can ask bold questions in the face of death What openings does radical hospitality create in our lives Every human being goes through so much Risher reflects and there is some heartbreakingly beautiful fruit we are to shape from that That is our own unique authentic gift to the world Her book encourages each of us to find a holy room in which we are in community with others and where we can shape our souls into their unique dimensions We each need a space for this work a soulmaking room If we cannot deal with failure if we do not know how to put our deepest losses in our holy room and if we do not know who our people are we can never fully join the joy and power of God s story Dee Dee Risher asserts Embark with her on the adventure of creating and discovering the joys of *The Soulmaking Room* **Reclaiming the Soul** Jeffrey H. Boyd, 1996 This radical interpretation of human nature probes the theological roots of the human psyche Carefully articulating the biblical understanding of the soul Boyd suggests nothing less than a Copernican revolution in mental health one in which God not the individual is at the center of the universe **The Work Trap** Martin C. Helldorfer, 1995 *OH GOD - WHAT THEY HELL DO I TELL THEM?!* Kathy Fray, For parents who are devoutly religious they can feel safe in God s will and for parents who are devotedly new age they can feel secure in the Universe s plans But for the growing amounts of parents who aren t either but also don t wish for their children to be spiritual orphans it can feel like a lonely Parenting Place to reside So OH GOD is about imbuing our Alpha Generation Z children with the insightful Cosmopolitan IQ and Old Age New Age IQ of understanding the beliefs of others so that our children can become more intelligently equipped to live in this exponentially expanding multi cultural multi religious society It s about teaching our children the societal intelligences that no one ever

taught us But this book won't be for everyone oh no this will be for those select parents who find themselves irresistibly drawn to delving more deeply into these topics OH GOD will be for the hardcore amongst parents

Synchronicity, Science and Soul-Making Victor Mansfield, 1995 The pioneering analysis of synchronicity was given by Jung yet despite the concept's momentous significance in Jung's work and despite the widespread dissemination of the term synchronicity even within pop culture synchronicity is often badly misconstrued and remains perhaps the least understood of Jung's theories Synchronicity Science and Soul Making has already been hailed as the most important analysis of synchronicity since Jung himself
