Fenceline and Other Stories Jeremy Sayers,2014-07-03 Though it may be difficult to believe the eleven stories in this collection are based in truth Author Jeremy Sayers hails from a family of adventurers and farmers His father's family came to America in 1715 and settled in Virginia His mother's family arrived much later immigrants and migrants All together these people were coal miners blacksmiths and cowboys Most of all they were believers in whatever it was that let them survive one sunrise to another And they were storytellers Fenceline and Other Stories brings some of those tales to life Like the myths of ancient cultures the Greeks Hindus Hebrews and Native Americans these stories tell about a particular time and place But they also contain something timeless These stories give us reasons to laugh and to mourn And the characters in these tales teach us something about coping with strife as we share little parts of their lives **Cavalleria Rusticana and Other Stories** Giovanni Verga,2006-03-30 The stories of Giovanni Verga 1840 1922 are wonderful evocations of ordinary Italian life focusing in particular on his native Sicily In an original and dynamic prose style he portrays such eternal human themes as love honour and adultery with rich and colourful language The inspiration for Mascagni's opera Cavalleria Rusticana depicts a young man's triumphal return home from the army spoilt when he learns that his beloved is engaged to another man Verga's acute awareness of the hardships and aspirations of peasant life can be seen in stories such as Nedda Picturesque Lives and Black Bread while others such as The Reverend and Don Licciu Papa show the dominance of the church and the law in the Sicilian communities he portrays so vividly *Performing Embodiment in Samuel Beckett's Drama* Anna McMullan,2020-07-24 The representation and experience of embodiment is a central preoccupation of Samuel Beckett's drama one that he explored through diverse media McMullan investigates the full range of Beckett's dramatic canon for

stage radio television and film including early drama mimes and unpublished fragments She examines how Beckett's drama composes and recomposes the body in each medium and provokes ways of perceiving conceiving and experiencing embodiment that address wider preoccupations with corporeality technology and systems of power McMullan argues that the body in Beckett's drama reveals a radical vulnerability of the flesh questioning corporeal norms based on perfectible autonomous or invulnerable bodies but is also the site of a continual reworking of the self and of the boundaries between self and other Beckett's re-imagining of the body presents embodiment as a collaborative performance between past and present flesh and imagination self and other including the spectator listener
