Presbyter of the Church of England, 1712 **Elements of Intellectual Philosophy** Hubbard Winslow, 1856 **Ibrahim the Father of the Prophets** Ali Mohammad Al-Sallabi, *The Practice of Godliness* Jerry Bridges, 2016 Over 500 000 copies in print *Godliness* has value for all things 1 Timothy 4:8 NIV How can you develop godly character Bestselling author Jerry Bridges says that godliness is more than a character trait It is a foundational spiritual quality that makes the entire Christian life dynamic effective and pleasing to God Growing in godliness is a twofold process It involves an ever deepening

devotion to God and developing character that is steadily transformed into His likeness In *The Practice of Godliness* the sequel to the popular book *The Pursuit of Holiness* readers will learn how laying an inward foundation of God centeredness will permit them to build an outward structure of godliness Character formation will never be the same Discussion guide included *Seeking God* Michael H. Mitias, 2012-09-14 *Seeking God* is a Platonic dialogue on the nature of the religious experience and the conditions under which this experience is possible The dialogue takes place between three characters a philosopher a Sufi and a Christian monk They meet in the Syrian Desert and share their views and experiences on what it takes to have a union with God The main premise that is presented and analyzed in the dialogue is that God reveals himself in nature human civilization and the human heart Love is the beginning and end of the path that leads to the quest for God and the light that illumines this path Living from the standpoint of the Divine is the basis of the good life This book presents a vivid picture of the beauty and sublimity of the Divine the joy of the religious experience and the joy of life Plato, Utilitarianism and Education (International Library of the Philosophy of Education Volume 3) Robin Barrow, 2010-02-25 Three lines of argument are central to this book that Plato's views as expounded in the *Republic* indicate that he was a utilitarian that utilitarianism is the only acceptable ethical theory that these conclusions have significant repercussions for education Throughout the book the exposition of utilitarianism and the interpretation of the *Republic* are closely linked The author assesses the nature of recent Platonic criticism and provides a critical summary of the *Republic* He expounds and defends utilitarianism and examines in greater depth the consequences for education of accepting a utilitarian position showing how for example from this standpoint such key terms in educational debate as autonomy and self development must be reassessed as educational objectives **Effective Leadership in Adventure Programming** Simon Priest, Michael Gass, 2018-10-30 Some books address outdoor leadership others focus on adventure programming None delve into the specifics of both topics like *Effective Leadership in Adventure Programming* Third Edition does The first edition of this book helped define the body of knowledge for an emerging profession Two editions later this groundbreaking text now in full color provides adventure leaders with the tools and evidence they need to show that their outdoor programs are effective and have a lasting impact on their participants Internationally renowned authors Simon Priest and Michael Gass have significantly updated the content based on the latest research issues and trends in the field of adventure education and leadership They have reorganized chapters to conform to their new model of building core competencies In addition this third edition includes the following features Material on technology social justice cultural adaptation sustainability and facilitation techniques An online instructor guide that offers activities discussion questions and assessments compiled from a group of acclaimed instructors A digital field handbook that offers quick reference to key models concepts and checklists covered in the text An expanded version of global perspectives valuable for long standing programs as well as those just beginning to enter the field *Effective Leadership in Adventure Programming* details both the art and science of adventure leadership helping a new generation of

outdoor leaders develop their skills The text extends the focus on evidence based models theories and best practices showing that science and research are as important to the profession as the natural beauty of the environment The book describes the core competencies of outdoor leadership providing a framework that helps leaders connect with participants in meaningful ways based on mutual goals The focus on the science side is invaluable to new leaders and less experienced leaders and it is a great refresher for leaders with more experience This new edition offers a more detailed look at diversity and cultural competencies preparing leaders to effectively manage diverse populations of participants In addition the content is in line with the updated accreditation standards from the Association for Experiential Education The opening chapters of Effective Leadership in Adventure Programming supply a solid foundation in the research philosophy ethics and history of outdoor leadership Numerous chapters explore the skills leaders need with topics that include technical activity safety and risk management environment organization instruction and facilitation The authors also examine leadership styles and conditional leadership issues communication sound judgment decision making problem solving and the trends and issues in adventure programming Effective Leadership in Adventure Programming will help readers understand the four adventure program areas recreation education development and therapy and how they influence the delivery of outdoor leadership The book is a valuable resource for the training and education of future outdoor leaders It will help readers know why they should work in the profession and understand how they can make a difference by being an effective outdoor leader
