Sound Of Hooves Other Stories:

The Family of Blackbirds and Other Stories Chika Echebiri, 2017-11-20 This is a work of fiction that centers on some of life's experiences. There are moral lessons to be learned too based on the roles played out by the different characters portrayed in this book. Young readers would find the stories informative, entertaining, and captivating as a result of different cultural mix reflected within. The collection of stories begins with *The Family of Blackbirds* which describes the family life of a close-knit family of blackbirds and the imminent danger that loomed over them as revealed in a dream to one of the blackbirds. There is also Zizi, a girl who learns a lesson the hard way all because she failed to listen to a simple advice given to her. Some acts of heroism are seen in *Emekas Bravery* and *Gerda and the Missing Ring*. *Susans First Day in School* which is the last of the collection of stories is a reflection of the tension felt by most children when they are attending school for the first time. But Susan here was able to overcome her initial apprehension and adjust readily to the new school environment to her parents' delight. I hope this collection of stories would delight and inspire my readers. **The Sound of Hooves** Bryan MacMahon, 1986

An uncompromising examination of lust, suspicion, and infidelity which was once forbidden by censors in Russia and banned in the US due to its shocking content. Tolstoy's controversial novella here presented in a new translation along with *The Prisoner of the Caucasus*, *Master and Man*, and *After the Ball* is now considered one of the masterpieces of Tolstoy's late period. Fenceline and Other Stories Jeremy Sayers, 2014-07-03 Though it may be difficult to believe the eleven stories in this collection are based in truth Author Jeremy Sayers hails from a family of adventurers and farmers His father's family came to America in 1715 and settled in Virginia His mother's family arrived much later immigrants and migrants All together these people were coal miners blacksmiths and cowboys Most of all they were believers in whatever it was that let them survive one sunrise to another And they were storytellers *Fenceline and Other Stories* brings some of those tales to life Like the myths of ancient cultures the Greeks Hindus Hebrews and Native Americans these stories tell about a particular time and place But they also contain something timeless These stories give us

reasons to laugh and to mourn And the characters in these tales teach us something about coping with strife as we share little parts of their lives **Performing Embodiment in Samuel Beckett's Drama** Anna McMullan, 2020-07-24 The representation and experience of embodiment is a central preoccupation of Samuel Beckett's drama one that he explored through diverse media McMullan investigates the full range of Beckett's dramatic canon for stage radio television and film including early drama mimes and unpublished fragments She examines how Beckett's drama composes and recomposes the body in each medium and provokes ways of perceiving conceiving and experiencing embodiment that address wider preoccupations with corporeality technology and systems of power McMullan argues that the body in Beckett's drama reveals a radical vulnerability of the flesh questioning corporeal norms based on perfectible autonomous or invulnerable bodies but is also the site of a continual reworking of the self and of the boundaries between self and other Beckett's reimagining of the body presents embodiment as a collaborative performance between past and present flesh and imagination self and other including the spectator listener **The Fairy Minstrel of Glenmalure and Other Stories for Children** Edmund Leamy, 1899
