Territorial Spirits Insights Into Strategic Level Spiritual Warfare And Intercession:

Territorial Spirits C. Peter Wagner, 2012-02-21 The Battle Is Ours Our struggle is not against flesh and blood but against the rulers against the authorities against the powers of this dark world Eph 6 12 NIV For generations when Christians have engaged in spiritual warfare most of the time they have focused on Satan as the main opponent However C Peter Wagner has gathered together a number of ministers who teach from personal experience that the principalities and powers are more than just Satan there is an entire hierarchy of demons in this world Often missionaries and ministers are finding that they have far more success in an area when they first go to war in the spirit and in prayer against the evil power that rules a certain region C Peter Wagner has compiled this book of many voices speaking from Scripture and personal experience teaching the reality of territorial spirits and the necessity of waging targeted powerful warfare against them in order to reach the souls these evil powers have held captive for too long You will learn There is an entire hierarchy of demons in this world many with specific geographic territories Once a territorial spirit's power is broken ministry in that area can be far more effective How to go to war against evil spirits to break their power over the people of a region Christians must take to heart what the Bible teaches about spiritual warfare Arm yourself with this book [SPIRITUAL WARFARE: A Struggle for Truth](#) Russell Sharrock, 2007-03-01 Much in the Church is being touted as biblical spiritual warfare even to changing it from being spiritual to be geographical This book criticizes spiritual warfare teaching comparing it to the Bible and offers a biblically reasoned discussion on spiritual warfare *Territorial Spirits* C. Peter Wagner, 1991 Are evil spirits assigned to geographical areas The theme of territorial assignment in the demonic kingdom is one rarely touched upon by theologians making this book unique in the study of spiritual warfare The book has been edited by C Peter Wagner one of the most highly respected of all teachers in this area and contains contributions from many key church leaders None of the contributors lay claim to being the final authority on the topics covered but offer their theories and insights regarding spiritual warfare for the reader's consideration As well as discussing the theoretical principles involved the book also records the experiences and discoveries made by practitioners of strategic spiritual warfare [50 Things You Need to Know About Satan and Demons](#), 2014-10-28 Answers to the Most Asked Questions About Satan and Demons A lot has been said about Satan and demons in music and movies on the Internet and TV but it can be difficult to figure out what's true and what's folklore Professor Mark Muska uses the Bible to answer the most asked questions about Satan and demons including Who is Satan Does Satan really have horns hoofs and a tail Can Satan read our thoughts What is demon possession Can anything protect us from demonic attacks You'll discover exactly what God's Word says as well as what it doesn't say about these mysterious beings [The Spiritual Soul](#) Matthew J. Churchouse, 2024-04-30 What is the human soul What does it do How does it relate to the brain and body What is happening in the soul when a person encounters the Holy Spirit These are some of the questions addressed in *The Spiritual Soul* as it advances towards its overall goal of proposing a re new ed Pentecostal

Charismatic understanding of what constitutes a human being In pursuing this overarching intention Churchouse responds to the anthropology of two leading Pentecostal scholars Amos Yong and Veli Matti K rkk inen specifically their theological models concerning what a human is constituted essentially made up of to offer an enhanced Pentecostal model in preference to their monistic view Drawing upon the sources of biblical studies the philosophy of mind and upon the pneumatology that flows from Pentecostal spirituality Churchouse advances a renewed understanding of the human soul one illumined by the spirit and the Spirit to engender his distinctive Pentecostal model of human constitution *Evangelical and African Pentecostal Unity* Hugh Osgood,2024-04-18 As the millennium approached the number of independent African Pentecostal churches in Britain increased rapidly Having assimilated classical Pentecostalism and the charismatic movement and having begun to find ways of working with the Caribbean Pentecostal denominations it remained to be seen how UK evangelicalism would fare with African Pentecostals This book looks at the intricacies of the relationship at a time that provided ample opportunities to weigh the benefits and challenges of integration from every possible angle **Dislodging Demons** Lawrence Obisakin,2002 *Breaking the Veil of Silence* Jobst Bittner,2013-07-11 The Veil of Silence concerns you more than you think You come across it at every turn whether in your personal life in your family in your church or congregation or in your cities and nations The Veil of Silence is the reason for inner coldness loneliness and the sense of being lost in darkness Once you break it you will be able to receive the immeasurable blessing of God and the authority to change your surroundings with His love Every nation carries its own burden of guilt and trauma that is passed down through the generations while a Veil of Silence prevents reconciliation healing and restoration The German pastor theologian and activist Jobst Bittner writes in the light of the experience of German history Hitler and the Holocaust caused a spiritual eclipse in Germany and covered entire generations with a Veil of Silence Today Germany is blessed and the country of unmerited grace If Breaking the Veil of Silence was possible in Germany how much more so in your life family and nation Through a captivating blend of history theology and psychology Jobst Bittner provides a brave discerning perspective on this Veil of Silence and proves that the weight of history can be lifted It is a powerful and practical intervention and spiritual guide to reclaim our authority by uprooting all destructive tendencies of covering up the past uncovering our own family history rediscovering the Jewish roots of our faith and moving forward into action Once the veil is lifted true healing restoration and change can begin **Nigeria's Christian Revolution** Richard Burgess,2008 Nigeria has become the arena of one of the most remarkable religious movements of recent times reflecting the shift in the global center of Christianity from the North to the South This book tells the story of one sector of this movement from its root in the Nigerian civil war to the turn of the new millenium It describes a revival that occurred among the Igbo people of Eastern Nigeria and the new Pentecostal churches it generated and documents the changes that have occurred as the movement has responded to global flows and local demands As such it explores the nature of revivalist and Pentecostal experience but does so against the backdrop of

local socio political and economic developments such as decolonization and civil war as well broader processes such as modernization and globalization *Authority to Tread* Rebecca Greenwood,2005 This practical manual on strategic level spiritual warfare provides tools to train intercessors on effective breakthrough prayer that will bring about spiritual transformation
