Whittaker, 2004 The first introductory book to focus on terrorists themselves looking at the mindset motivation and tactics of a variety of terrorist groupd **International Terrorism in the Contemporary World** Marius H. Livingston, Lee Bruce Kress, Marie G. Wanek, 1978-09-07 *Contemporary Terrorism Studies* Diego Muro, Tim Wilson, 2022 When do individuals radicalise Can terrorism be rational How can we define terrorism What is the role of women in terrorism Can states be terrorist World leading experts answer these questions in *Contemporary Terrorism Studies* the first textbook to provide a multi disciplinary methodologically plural and richly diverse introduction to terrorism studies *Contemporary Terrorism Studies* covers the main approaches in terrorism studies and is structured into three comprehensive sections The first on The State of Terrorism Studies maps the development and historical context of the discipline and looks to the future of terrorism studies Part two on Issues and Debates in Terrorism Studies examines key contentious questions and debates such as the role of women technology and the media in terrorism The final part part three on Countering Terrorism focuses specifically on counterterrorism it s instruments foreign policy legal frameworks and organisations Overall text will engage students and establish a confident understanding of the subject The textbook has been developed with pedagogical features to help enhance student learning Each chapter contains case studies to highlight real world examples of political violence questions for reflection to encourage critical thinking and suggestions for further reading which provide useful sources for further reading essays and exam preparation Furthermore a consistent accessible tone and jargon free writing style makes *Contemporary Terrorism Studies* the clearest guide to understanding terrorism Digital formats and resources *Contemporary Terrorism Studies* is available for students and institutions to purchase in a variety of formats and is supported by online resources The e book offers a mobile experience and convenient access along with hyperlinks to question pointers and a library of web links helping you to broaden your knowledge and understanding terrorism studies www.oxfordtextbooks.co.uk/ebooks Student resources additional case studies guidance on accessing databases pointers for tackling the questions for reflection and suggested web links organised by chapter are available online Lecturer resources customisable PowerPoint slides to adapt and use in teaching *NATO Towards the Challenges of a Contemporary World 2013* Robert Czulda, Robert Łoś, 2013-12-26 A wide range of contemporary challenges and threats and their volatility uncertainty complexity and ambiguity make it necessary to develop a new flexible and integrated holistic approach The modern world requires NATO to build institutional partnerships with a range of actors This applies not only to the other major international organizations

such as the United Nations and the European Union but also to non governmental organizations NGOs as well as the private sector for example the energy and IT sectors All these players must become partners in the attempt to cope with multi dimensional security related problems Given the vast differences in their goals mandates methods and philosophy of action building trusting and effective relationships between them will be an arduous process Nevertheless as the biggest political and military organization in the world NATO cannot avoid contemporary challenges if it does not want to go out of business

Strategy in the Contemporary World John Baylis, James J. Wirtz, Colin S. Gray, 2013 The fourth edition of this successful textbook has been revised and updated in light of recent events and includes a new chapter on the rise of cyberpower Its comprehensive coverage of issues of war and peace such as terrorism intelligence and weapons of mass destruction makes it the major strategic studies textbook in the field

War, Violence, Terrorism, and Our Present World Hares Said, 2017-05-30 Why Are We Facing Never Ending Terrorism Political violence and terrorism have been literally bleeding humanity throughout the world This book sheds light on terrorism highlighting the causes of this evil including religion wealth disparity poverty dysfunctional government and the crippling lending policies of international financial institutions In particular it highlights one major gray area not discussed by conventional writers the Colonial Legacy This book highlights every aspect of political development from the birth of new nations to the race for supremacy The impact of scarce mineral resources the role of religions the Shia Sunni turmoil in the Middle East and last but not least the militarization processes are all discussed Greed allows terrorism to take root and to be nurtured It leads the religious to be abused and innocent people to be victimized by war s profiteers

Contemporary World History Since 1945 Jeffrey W. Jones, 2025-10-10 This book introduces readers to the historical roots of the key events issues and themes in the post World War II period since 1945 Organized by region Europe Asia the Middle East Africa and Latin America it uses case studies to emphasize common themes and patterns The book argues that the colonial period largely shaped the primary global relationships that still hold in the world today During and after de colonization the Cold War emerged as the dominant global paradigm but following the collapse of communism a neo liberal capitalist agenda prevailed in much of the world although that has in turn shifted due to the global financial crisis of the late 2000s early 2010s The book explores these themes as well as terrorism and the environmental degradation of the planet which are major features of the post Cold War world along with racial ethnic religious diversity and conflict democracy human rights nationalism and gender relations This volume is an essential resource for students of Contemporary World History the World Since 1945 and the World in the Twentieth Century more broadly

Terrorism in Contemporary France Jan Eichler, 2023-01-29 This book examines radical Jihad terrorism in contemporary France and sheds light on the vicious circle of violence based on reciprocity Building upon the theoretical heritage of Pierre Bourdieu the book develops a methodology and a concept of the vicious circle of violence in France based on three pillars actors dynamics and effects Discussing the development of global terrorism between the 9 11 attacks and the

launch of the European front against global terror in Spain and Great Britain the book goes on to analyze why France has not been attacked during the 2000s and why it in turn became a primary target of terrorist attacks during the 2010s with a special emphasis on communication theory and the concept of reciprocity Studying these attacks on the international level the book offers insights into violent acts of revenge of the radical home grown jihadists for the French military interventions in four Middle Eastern and North African MENA countries especially Libya and Syria It further investigates the following growing radicalization of the Muslim community on the national level as a reason for terrorist attacks Finally the book sheds light on the reactions from within the French military to these developments before closing with a presentation of the new political context after the 2022 presidential and legislative elections Based on empirical evidence and a theoretical background this book will appeal to students and scholars of political science and international relations as well as policy makers and practitioners interested in a better understanding of terrorism French politics and communication theory
