The Locality of the Broderick-Terry Duel on September 13, 1859 Hermann Schussler,1916 Murder by the Bay Charles F. Adams,2005 Murder has a long and distinguished history in San Francisco The city and its Bay Area can stand proudly with Paris London and New York in the splendour of its misdeeds murders that have suspense horror audacity and flair The homicides chronicled in Murder by the Bay have been selected because a convergence of personality circumstance character and geography makes them peculiarly San Franciscan Each of these crimes illustrates an historic importance each has impacted its times either in the course or application of the law or in the manner in which the affair revealed a shortcoming in society They range from the Montgomery Street killing of James King of William editor of the Daily Evening Bulletin in 1856 to the sensational trial of early movie comedian Fatty Arbuckle who was accused of killing a showgirl at a party in the St Francis Hotel to the shocking City Hall Murders in which former city supervisor Dan White killed Mayor George Moscone and Supervisor Harvey Milk Most were solved some were not They are murders that fascinated the city and frequently the country sometimes for weeks often for years and even decades *The California Gold Rush and the Coming of the Civil War* Leonard L. Richards,2008-02-12 Award winning historian Leonard L Richards gives us an authoritative and revealing portrait of an overlooked harbinger of the terrible battle that was to come When gold was discovered at Sutter s Mill in 1848 Americans of all stripes saw the potential for both wealth and power Among the more calculating were Southern slave owners By making California a slave state they could increase the value of their slaves by 50 percent at least and maybe much more They could also gain additional influence in Congress and expand Southern economic clout abetted by a new transcontinental railroad that would run through the South Yet despite their machinations California entered the union as a free state Disillusioned Southerners would agitate for even more slave territory leading to the Kansas Nebraska Act and ultimately to the Civil War itself
