Tertiary History of the Grand Canon District Clarence Edward Dutton, 2017-09-16 Excerpt from Tertiary History of the Grand Canon District With Atlas I have in many places departed from the severe ascetic style which has become conventional in scientific monographs Perhaps no apology is called for Under ordinary circumstances the ascetic discipline is necessary Give the imagination an inch and it is apt to take an ell and the fundamental requirement of scientific method accuracy of statement is imperiled But In the Grand Canon district there is no such danger The stimulants which are demoralizing elsewhere are necessary here to exalt the mind sufficiently to comprehend the sublimity of the subjects Their sublimity has in fact been hitherto underrated Great as is the fame of the Grand Canon of the Colorado the half remains to be told About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
