The success story of Indian Cricket Dr.S.RAMARATNAM,2020-07-27 Silence Of The Heart David Frith,2011-12-16

Cricket has an alarming suicide rate Among international players for England and several other countries it is far above the national average for all sports and there have been numerous instances at other levels of the game For thirty years celebrated cricket author David Frith has collected data on this sad subject Silence of the Heart is his compelling account of over a hundred cricketers involving top names from the past hundred years who have taken their own lives with an explanation of factors that led to their premature deaths Can the shocking rate of self destruction among cricketers be reduced Can those who run the game do something to save its participants from this dreadful fate These are among the questions addressed within this catalogue of biographies But the key question is whether cricket itself is to blame for its losses or is that this summer game attracts people of a melancholic and over sensitive nature Stoddart Shrewsbury Gimblett Bairstow Trott Iverson Robertson Glasgow Barnes There remains a sense of disbelief that these high profile cricketers killed themselves And many more cases are examined in this extraordinary book which comes crammed with detail is not devoid of humour and must rank among the most intricately researched volumes in cricket s extensive library With a foreword by former England captain Mike Brearley now a psychotherapist Silence of the Heart is a startling investigative narrative covering the phenomenon of cricket s unduly high level of suicide *A Tall Order* Kapil Pathare,2018-03-01 There is a lot to learn from this league of extraordinary gentlemen They make such fine ambassadors of this great country of ours While picking these 10 cricketers I did not have to think much because each of these gentlemen have made an impact on our lives in the last 25 years Whether it is the Fabulous Four of Sachin Tendulkar Rahul Dravid Sourav Ganguly and VVS Laxman or the spin duo of Anil Kumble and Harbhajan Singh fantastic Virender Sehwag flamboyant Yuvraj or the ever cool Mahendra Singh Dhoni or the magical Zaheer Khan they have all made an impact in different ways I have a lot to learn from each of these gentlemen because they have different qualities Tendulkars humility is a lesson for all of us Dravids steely resolve is worth emulating Ganguly and MS Dhoni offer contrasting lessons in leadership skills Similarly the fighting spirit of the spin pair of Kumble and Harbhajan or the devil may care attitude of Sehwag or the sheer natural ability of Yuvraj coupled with the self confidence of Zaheer All this has impacted me and no doubt billions of others As I compiled this book I was left wondering how wonderful it was for Indian cricket to have all these gentlemen play almost at the same time Very rarely have cricket teams been built around individuals who are the best at what they do It is indeed a privilege and a honour to have seen these extraordinary cricketers in the same era One can learn so much from simply playing back their exploits The videos of their efforts still make for compelling viewing As you would imagine I am a complete cricket nut For me nothing else mattered It therefore felt great to compile my thoughts on these 10 extraordinary cricketers **The Test Match Year 1996-97** Frith,1997 Provides full statistical coverage of the complete test year including all test matches played around the

Ruling Dynasties of Independent India - Volume 2 Ravindra Padalkar,2021-02-14 This book is written to get an overall idea of dynastic politics in India It is always kept in mind that a citizen of India should know more about the politicians who are in the Government and form policies etc to take the country in the proper direction at the same time the book should be interesting Wherever possible family trees are shown as well as the assets of our politicians It was natural to start with the Nehru Gandhi family being one of the largest and long ruling families at the helm of all affairs Then State wise the families are chosen and the account is presented Since the volume is huge this book is in two volumes States are chosen alphabetically So even if the Nehru Gandhi family is in Volume 1 Tamil Nadu Telangana Uttar Pradesh etc are in Volume 2 Early rulers in Indian history used to handover the throne to their sons and then to the next generations for generations to come until some larger event upset the process mostly conspiracies by persons like very close aides of the king or a revolt Similar lines were followed even during our democracy passing on the rule to the next generation which gave rise to dynastic rule Indian politics has witnessed a large spectrum of politicians from various fields Initially it consisted mainly of leaders from the field of law But now we find that we have eminent personalities from the sports field actors actresses superstars

from the silver screen the literary field is no exception we have writers poets and so on economists find a special place in the political arena politics does not shun even criminals or few dacoits who then turned to politics after their surrender Businessmen kings or we can say princes from princely states as Britishers decided to call them are also found here We have the learned people in politics as well as the illiterate people angutha chhaap who learnt to sign only after assuming office on getting elected
