The Gunhawks

S Ashworth

The Gunhawks:

Burning in Hell BeastonBoard,2024-09-11 Burning in Hell is about the life on both sides of the streets BeastonBoard gives the truth of a story since he has experience on the streets His word and street knowledge allow him to because he is unique so whatever he touches will be and Burning in Hell is unique Readers will be so engulfed in the story that they won't be able to wait on Part II About the Author BeastonBoard is a person who is all to himself and family His kids are the world to him He loves to watch sports and also has a thing for old movies and relaxing He also does a podcast that he is feeling and liking it all He always wanted to write and let the world know his story in life and that dream has finally come true

Vengeance Of The Mountain Man William W. Johnstone,2016-02-23 Some people don't know when to leave bad enough alone A gritty action packed Western in the New York Times bestselling series Smoke Jensen had all but forgotten the vicious young gunfighter who called himself Sundance Smoke had hoped to teach that twisted kid a lesson by shooting off his ear But the lesson didn't take Now after years on the run Sundance's ravenous hunger for revenge has pushed him over the edge He's gathered a gang of the worst robbing pillaging raping scum from the Texas Mexico border and is heading for the Sugarloaf ranch with the fool idea of nailing Smoke Jensen's hide to the wall The problem for him is that Smoke Jensen doesn't believe in second chances

Guns of Redemption Don DeGraff,2022-11-21 Guns of Redemption By Don DeGraff Guns of Redemption is the third book in the Cort Patrick series following Guns of Revenge and Guns of Justice

Redrawing the Western William Grady,2024 As the Western began to flourish in literature it also began to appear in illustrations and early comic strips of the late 19th and early 20th centuries William Grady charts the history of the genre in comic strips and books from its origins in this period through its mid century heyday to its gradual decline in the 60s and 70s ending with a brief look at the current afterlife of Western comics over the last few decades In doing so he also argues for the importance of comics in the development of the Western alongside both literature and film television He explains how the mythic historical settings of Western comics allowed the young readers at whom they were aimed to explore different aspects of their contemporary society wrestle with taboo topics and envision different futures for the US Grady begins by exploring the origins of the Western genre in the late 19th century and shows the importance of illustrated narratives and cartoons in helping readers visualize the West thus establishing much of its iconic imagery of frontier life including racist stereotypes of Indigenous Peoples He moves forward in time to show how the West became mythologized and fantastic elements were introduced into the real landscape in comic strips such as Gasoline Alley and Krazy Kat until the Great Depression where strips emphasized the escapist adventures of the West in Red Ryder Lone Ranger and others The postwar Western spread into comic books and was used alternately as positive and negative commentaries on the Cold War and America's place in the world but in the era of Vietnam and Watergate Western comics portrayed darker reflections of American culture and history and eventually more or less died out Despite the genre's apparent demise Grady ends by examining its ongoing influence

over the last decades as its tropes are used to interrogate and subvert the idea of the mythic West and explore diverse perspectives on the genre

Spirit of the Mountain Man William W. Johnstone, 2018-09-25 USA Today bestselling author

There's a price on Smoke Jensen's head but the posse pursuing him are going to be the ones paying. The message was written in blood. Bring me the head of Smoke Jensen. A hard term in Yuma Prison gave Ralph Tinsdale and his gunhawk sidekicks time to nurse a deep hatred for Smoke Jensen, the man who put them there. A bloody escape gives them the chance to get even. Their posse is already forty strong, the price on Smoke's head is up to twenty grand, and with Jensen's own wife shanghaied into Tinsdale's deadly trap, this time there's more at stake than Smoke's own life.

Live by the West, Die by the West

William W. Johnstone, 2019-02-26 In one volume two Western adventures from the New York Times bestselling Smoke Jensen series featuring the heroic gunslinging frontiersman.

Triumph of the Mountain Man In a land of opportunity, there will be opportunists. But few are as vicious, cruel, or flat-out evil as Clifton Satterly. This power-hungry robber baron has set his sights on Tula Pueblo, a quiet town in the New Mexico Territory. He plans to seize the timber-rich land through brute force and strip it clean with slave labor. But there's one thing he didn't plan on: a one-man wall of resistance named Smoke Jensen.

Journey of the Mountain Man When it comes to outbursts of violence in the Old West, there's nothing worse than a range war. They're fueled by greed, fanned by gunfire, and fated to end in bloodshed, which is why Smoke Jensen would just as soon keep his distance. But when his cousin Fae is involved, he's got no choice but to strap on his Colts, team up with four old friends, and get ready for a hundred-gun showdown. This is going to be one hell of a fight.

Live Free, Read Hard

Spirit of the Mountain Man / Ordeal of the Mountain Man William W. Johnstone, 2010-04-19 Mountain man Smoke Jensen is up against a pair of deadly outlaw gangs in these two Western adventures by the New York Times bestselling author.

Spirit of the Mountain Man A hard term in Yuma Prison gave Ralph Tinsdale and his gunhawk sidekicks time to nurse a deep hatred for Smoke Jensen, the man who put them there. A bloody escape gives them the chance to get even. Their posse is already forty strong, the price on Smoke's head is up to twenty grand, and with Jensen's own wife shanghaied into Tinsdale's deadly trap, this time there's more at stake than Smoke's own life.

Ordeal of the Mountain Man After driving a herd of remounts north, Smoke Jensen rides into Muddy Gap, Wyoming, where he encounters a notorious gang that would kill for his earnings. With outlaws on his tail, Jensen heads for the Montana wilds where a band of Cheyenne warriors are on the horizon. Now the peaceful Bighorn Mountains are set to go off like a powderkeg. And with no way out, Smoke Jensen is ready to light the match.

Blood Valley William W. Johnstone, 2011-10-24 As ranchers and homesteaders go to war in Wyoming, a new lawman faces a trial by gunfire in the New York Times bestselling author's Western series debut.

Lawmen Don't Last Long in the town of Doubtful, Wyoming Territory. The last one quit, another ended up in a hangman's noose, and one more was backshot by the hired guns at the Circle L Ranch. But the town of Doubtful has never seen the likes of the man known as Cotton, who aims to take the badge for the next year, save himself a nice chunk of money, and be on his way. At least that's his plan. Problem is, Cotton has just stuck

his nose in the biggest hornet's nest in the territory. Some of the new homesteaders are stringing wire and the three large spreads in the area don't like it. Before anyone can blink a passel of hardcases are filling the air with gunsmoke and hot lead. But Cotton plans to bring law and order to Doubtful no matter what. Because he isn't afraid of dying. And he's not afraid of killing.

Obituaries in the Performing Arts, 2018 Harris M. Lentz III, 2019-06-17 The entertainment world lost many notable talents in 2018 including movie icon Burt Reynolds, Queen of Soul Aretha Franklin, celebrity chef and food critic Anthony Bourdain, bestselling novelist Anita Shreve and influential Chicago blues artist Otis Rush. Obituaries of actors, filmmakers, musicians, producers, dancers, composers, writers, animals and others associated with the performing arts who died in 2018 are included. Date, place and cause of death are provided for each along with a career recap and a photograph. Filmographies are given for film and television performers.

Journey Of The Mountain Man William W. Johnstone, 2013-06-06 Smoke Jensen is on the trail to Montana to rescue a relative from a range war in this gritty Western adventure by the USA Today bestselling author. Smoke Jensen couldn't have cared less that a range war had erupted in Montana. But his cousin Fae was stuck right in the middle of a hundred gun showdown that was about to explode in bullets and blood. When Smoke strapped on his Colts and went to Fae's aid, he knew the deck was stacked against him. Even when he was joined by four old friends, it looked like it was going to be his final stand. But if anyone could buck the odds, it was Smoke Jensen, the last mountain man.

The Gunhawks Book Review: Unveiling the Power of Words

In some sort of driven by information and connectivity, the power of words has be more evident than ever. They have the capability to inspire, provoke, and ignite change. Such could be the essence of the book **The Gunhawks**, a literary masterpiece that delves deep in to the significance of words and their affect our lives.
