Turdhead Dale W Forsythe,2012-02-24 Turdhead The Fourth Notch is most definitely a spy novel Dr Bill William s challenging childhood is a link connecting Bill to a twisted journey that eventually joins the clandestine path of espionage Bill learned very early to duck and cover in avoiding the swinging arms of his angry father but Bill remains resistant to describe himself as an abused child Bill maintains that his dad was a good provider didn t drink excessively and was very much the same as his buddies dads oil field roughnecks and rodeos Both of bill s parents died one month apart when Bill was ten years old Cancer swiftly took both

and Bill's dad sucked on his Old Gold cigarettes to his last wet rasping breath. At ten years old as Bill became a planner and observer. He knew his life was over in the small town of Duncan, Oklahoma, but his ten-year-old logic had a plan: hide out as long as he could and when discovered, hitchhike to California and live with Roy Rogers and Dale Evans. This was a beginning, and Bill observed and planned his path through his teenage years: military and college. Bill threw his plan book out the window when surviving the courtship of his soon-to-be wife, Alex. Very soon, unplanned teaching opportunities for couples in Saudi Arabia were considered and accepted. This inadvertently led to some dabbling in covert assignments and eventually a major mishap resulting in Bill's arrest in Saudi Arabia as an Israeli spy. Seven months later, Bill activated his plan to escape Saudi Arabia in an Arab dhow. After three weeks of sailing on the Red Sea, Bill approached the Sinai peninsula, was rescued by the Israeli coast guard, and eventually delivered to the Mossad Director. Thus began a series of events resulting in Bill being thrust into CIA field agent training and his first assignment back to Israel as a liaison officer at the American embassy in Tel Aviv. Bill's adventures continued in assignment to Beirut and eventually Afghanistan. *Joker One* Donovan

Campbell, 2009-03-10. After graduating from Princeton, Donovan Campbell wanted to give back to his country, engage in the world, and learn to lead. So he joined the service, becoming a commander of a forty-man infantry platoon called Joker One. Campbell had just months to train and transform a ragtag group of brand-new Marines into a first-rate cohesive fighting unit, men who would become his family. They were assigned to Ramadi, the capital of the Sunni-dominated Anbar province that was an explosion just waiting to happen. And when it did happen, with the chilling cries of Jihad, Jihad, Jihad echoing from minaret to minaret, Campbell and company were there to protect the innocent, battle the insurgents, and pick up the pieces. Thrillingly told by the man who led the unit of hard-pressed Marines, *Joker One* is a gripping tale of a leadership and loyalty. **Space**

Gamble J. W. Delorie, 2016-06-30. Operator Furgis is critically injured while inspecting the *Mortalis*, refit of the ship drafted into the new Western fleet. As Dr. Avers works to save his life, Sam finds a video recording of the logs his father recorded during his younger years before *Neptune One*. As Sam initiates the recording through the video, his consciousness is pulled into the recording; he soon realizes that he has become his father through the video. While his father battles for his life, Sam cannot resist reliving the early years of his father. His love and empathy grows stronger towards his father as he witnesses firsthand the struggles of young Kenneth Furgis, the troubles of a young teenager that was coerced into the Western Empire's space fleet. Sam learns of the day his father first noticed his mother, Raynor Caso, during boot camp through his first assignment with Commander Drake. Sam now understands the meaning of family through his father's eyes as he meets the different individuals that now are strong in his life and understands the tribulations his father and close friends have experienced. **Heart Shots**

Thrust into the middle of the Vietnam War, he must use his wits and courage so that he and his fellow Marines survive. But there is more going on than he knows during the battles and near misses; he

experiences Heart Shots provides insight into what's happening inside Damon's heart where all things are processed. Even as he struggles, Damon learns that there is a Higher Power at work who guides, preserves, and helps us in times of trouble. As the war grows more volatile, Damon's experiences become increasingly traumatic. Who will live? Who will die? And will Damon Lee Lane become just another name on the wall?

The Cat From Hue John Laurence, 2008-08-05 Winner of the Overseas Press Club Cornelius Ryan Award. John Laurence covered the Vietnam war for CBS News from its early days through the bloody battle of Hue in 1968 to the Cambodian invasion. He was judged by his colleagues to be the best television reporter of the war; however, the traumatic stories Laurence covered became a personal burden that he carried long after the war was over. In this evocative, unflinching memoir laced with humor, anger, love, and the unforgettable story of M, a cat rescued from the battle of Hue, Laurence recalls coming of age during the war years as a journalist and as a man. Along the way, he clarifies the murky history of the war and the role that journalists played in altering its course. *The Cat from Hue* has earned passionate acclaim from many of the most renowned journalists and writers about the war, as well as from military officers and war veterans, book reviewers, and readers. This book will stand with Michael Herr's *Dispatches*, Philip Caputo's *A Rumor of War*, and Neil Sheehan's *A Bright Shining Lie* as one of the best books ever written about Vietnam and about war generally.

A Marine - a Soldier John C. Bird, 2012-03-01 Johannes Andersen was retired until he was asked to assist the First Marine Division ready for war, mainly the First Force Recon Battalion, change from leg to a mechanized organization. He provided the Division Commander notes and ideas; he became known within the Corps. Then Johannes became known to the president of the United States and, by a comedy of events, he became the secretary of defense. He has to prepare to go to war with a philosophy of war that does not meet today's need in fixing what you break.

We Were Brothers Dane Hoover, 2011-07-26 After a tour in combat duty followed by an emotional homecoming that forced him back into the South Pacific, a Marine staff sergeant found himself caught for five days and five nights in Vietnam just before the fall of Saigon. The United States was finally healing from the tragedy of the previous 10 years and had to stay on that course at all costs. Propaganda was prevalent in the days before the embedded journalists of today's wars. Cover-ups came easier for the most powerful government on Earth. Would this Marine become a statistic or a survivor? Share in his adventure and feel his emotions as he relives his tours as a combatant through his homecoming and getting caught up in a backfired plot to help two officers enhance their careers.
