Newsome, 1984-01-01 This informative survey presents the Old Testament prophets in an orderly format making them accessible and understandable to readers of the Bible The key feature of this introductory volume is the systematic outline and form Each chapter summarizes the essential element of the prophet's message The reader will have a basic foundation on which to build a growing understanding **The Hebrew Prophets** NA NA, 2016-09-27 The prophets of the Ancient world were mystics whose words have transcended the ages In this collection Biblical scholars look at passages from the writings of the period from Isaiah's portrayal of the suffering Messiah to Daniel's dream of the Ancient of Days pronouncing judgment on the earth to show their importance for us today **The Hebrew Prophets**, 2011-04-04 Fresh translation and facing page annotations bring the compelling wisdom of the Hebrew prophets to life Hundreds of commentaries and dozens of Bible translations make the Hebrew prophets available to modern day readers but most often these sources focus on history or apologetics losing the reader who is searching for spiritual insight *The Hebrew Prophets Selections Annotated Explained* makes the wisdom of these timeless teachers available to readers with no previous knowledge of the prophets With fresh contemporary commentary Rami Shapiro reveals the central themes covered by all the prophets moving from ignorance to wisdom injustice to justice cruelty to compassion and despair to joy This unique look at the Hebrew Prophets sharpens the personal nature of their message and highlights their critique of the spiritual errors we all face in life challenging readers to correct those errors and experience a life of awakening and joy Introduction to the Hebrew Prophets Dr. James D. Nogalski, 2018-02-20 Following the Hebrew canon the author offers a basic introduction which includes critical issues such as authorship unity dates of composition and revision and structure Drawing upon current scholarship Dr Nogalski shows how these issues are relevant to the theological themes and movements that help characterize the text and hold meaning for us The last decades have seen many changes when it comes to the study of the four Latter Prophets Isaiah Jeremiah Ezekiel and the book of the Twelve Among others these changes have identified a greater role for the prophetic scroll not merely the prophetic character as a vehicle for conveying the prophetic message Nogalski's introduction to the prophets invites modern readers to hear these scrolls through the processes that shaped them to recognize the thematic threads that traverse them and to react to the words that confront religious and ethical complacency that speak truth to power and that offer hope to the oppressed Each chapter will include a brief bibliography for further reading and discussion questions to help students focus on key concepts *First Lessons on the Hebrew Prophets* Edward Grubb, 1897 **The Hebrew Prophets** Robert Lawrence Ottley, 1920 **The Hebrew Prophets** Robert L.
