Donald L. Deardorff

The National Pastime A Review Of Baseball History 25:

The National Pastime 1996 *Chasing Baseball* Dorothy Seymour Mills, 2010-03-08 For more than five decades pioneering researcher Dorothy Seymour Mills has studied and written about baseball's past. With this groundbreaking book she turns her attention to the historians, stat hounds, and many thousands of not so casual fans whose fascination with the game and its history like her own defies easy explanation. As Mills demonstrates, baseball elicits a passion and inspires a slightly off-kilter obsessive behavior that is only slightly less interesting than the people who indulge it. **The Politics of Baseball** Ron Briley, 2010-03-30 Examining baseball not just as a game but as a social, historical, and political force, this collection of sixteen essays looks at the sport from the perspectives of race, sexual orientation, economic power, social class, imperialism, nationalism, and international diplomacy. Together, the essays underscore the point that baseball is not just a form of entertainment but a major part of the culture and power struggles of American life, as well as the nation's international footprint. The Unlevel Playing Field David Kenneth Wiggins, Patrick B. Miller, 2003 A comprehensive study of black participation in sports since slavery reveals a checkered history of prejudice and cultural bias that have plagued American sports from the beginning. The Tecumsehs of the International Association Brian Martin, 2014-12-24 This is the previously untold story of the London Tecumsehs, an 1870s baseball team that rose to the top ranks of pro ball. The Tecumsehs of London, Ontario, were among the founding members of the International Association in 1877, the first league established to challenge the struggling National League, formed a year earlier. The team played against the top competition of the day and defeated nines from Chicago, St. Louis, and elsewhere. They became the first champions of the International Association when they defeated Pittsburgh with the arm of Fred Goldsmith, one of the first curveball pitchers. This is also the story of the International Association, the only one of the six leagues challenging the primacy of the National League that has never been accorded major league status. To this day, it has been relegated to minor league status to the detriment of some of the pioneer players in the game. **The Tour to End All Tours** James E. Elfers, 2003-01-01 During the winter of 1913 and the spring of 1914, the New York Giants and the Chicago White Sox took a trip around the world. Organized by crusty John McGraw of the Giants and the White Sox's Charles Comiskey, it was a trip of epic proportions, a tour to end all tours, recreated here in all its monumental sweep and comical detail. This book follows the two teams, whose members include Christy Mathewson, Jim Thorpe, and half a dozen other future Hall of Famers, as they barnstorm across the United States and sail the seas to Asia, the Middle East, and Europe, finishing with a game before twenty thousand fans and King George V. Along the way, baseball's envoys meet such dignitaries as Pope Pius X, tea magnate Thomas Lipton, and the last khedive of Egypt. They play the tables of Monaco, survive a near shipwreck, and cram a lifetime's worth of adventures into six months. Their story, told here for the first time, gives readers a glimpse into baseball history and the innocence and spirit of a long-gone era. James E. Elfers is a library analyst at the University of Delaware. Sports Donald L. Deardorff, 2000-09-30 This guide to the available literature on

Heaphy, 2014-04-04 BACK ISSUE Under the guidance of Leslie Heaphy and an editorial board of leading historians this peer reviewed annual book series offers new authoritative research on all subjects related to black baseball including the Negro major and minor leagues teams and players pre Negro League organization and play barnstorming segregation and integration class gender and ethnicity the business of black baseball and the arts Prior to Volume 9 Black Ball was published as Black Ball A Negro Leagues Journal This is a back issue of that journal *The Culture and Ethnicity of Nineteenth Century Baseball* Jerrold I. Casway, 2017-05-29 Evolving in an urban landscape professional baseball attracted a dedicated fan base among the inhabitants of major cities including ethnic and racial minorities for whom the game was a vehicle for assimilation But to what extent were these groups welcomed within the world of baseball and what effect did their integration or as in the case of African Americans their ultimate inability to integrate have on the culture of a pastime that had recently become a national obsession How did their mutual striving for acceptance affect relations between these minorities In deep and long lasting ways as it turns out This book provides a carefully considered portrait of baseball as both a sporting profession one with quick changing rules and roles and as an institution that reinforced popular ideas about cultural identity masculinity and American exceptionalism **Honus Wagner** Arthur D. Hittner, 2024-06-14 Regarded by many of his contemporaries as the greatest baseball player of all time John Peter Honus Wagner enjoyed a remarkable career with the Pittsburgh Pirates His record of 17 consecutive 300 plus seasons is a mark that will probably never be broken He led the National League eight times in hitting six times in slugging percentage and five times in stolen bases Known as the Flying Dutchman he also excelled in the field defining the shortstop position for a generation Though one of the original inductees in the Baseball Hall of Fame he has often been overlooked by baseball fans and historians A humble man whose biggest passions were hunting and fishing the Pirate shortstop lacked the flamboyance of a Ty Cobb or Babe Ruth He rarely smoked or drank though he sometimes indulged in a sandlot game with the neighborhood kids Based on contemporary newspaper accounts family scrapbooks and correspondence and Wagner s own
