Bible Survey of the Old and New Testament Mary Baker, 2015-04

This Bible Survey of the Old and New Testament is specially created as a tool to help study and navigate through the Bible simply and easily It can also serve as a part of your home school or private school Bible curriculum The surveys are simple to read and comprehend You can also use it to test your knowledge of God's Word Our churches Christian Schools and church programs do not provide the level of Biblical training needed to foster a deep rooted faith and passion for God's Word At Inspiring Life Books we want to change that So we created this Bible survey to help readers of the Bible rightly divide and handle God's truth Thank you for supporting this work to fortify your faith In the beginning God's relationship with man was severed when Adam and Eve ate the fruit God instructed them not to eat But this did not shake God's plan for creation We get a picture of God's faithfulness to fulfill His promises through the events of the Old and the New Testament In His plan to reconcile mankind to Himself He instituted an earthly system of retribution through the law until the coming of Christ Through Christ God would provide eternal salvation by pouring out His grace The Old and New Testaments are a testimony of God's faithfulness and a consistent message of His grace These Scriptures provide us a pathway to salvation as they present Christ's foretold and Christ's ministry on earth It is in the New Testament that Christ personally delivers God's message of salvation and instructs us exactly how this is accomplished

Geisler, 2014-09-09 Understanding the New Testament is a daunting but exciting task Our world is so different from that of the first century Yet it is important to understand the context and content of the New Testament if we are to be faithful followers Now in paper this survey addresses the who what where when why and how questions that readers of the Bible may have such as How can we tell if what is written in the New Testament is true history or just mythology When were these books written and why and What can today s believers get out of letters addressed to people who lived two millennia ago Written in an easy informal style this survey is accessible and enjoyable to anyone who wants to better understand the New Testament **The Essence of the New Testament** Elmer L. Towns, Ben Gutierrez, 2012 Leading biblical scholars from Liberty University offer a thorough survey of the complete New Testament with book introductions theological concepts practical applications word studies and more **New Testament Survey** Robert G. Gromacki, 2008-08-01 Before coming to grips with an individual verse or passage in the New Testament Bible students and expositors must understand how it relates to the theme of the book This nontechnical survey offers readers a working understanding of the New Testament by providing the theological tools necessary to synthesize biblical passages into themes It incorporates historical and cultural backgrounds without becoming a book on manners and customs and deals with the actual text of Scripture without becoming a verse by verse commentary Pictures charts and outlines aid
