## **The New Disciple:**

**The Making of Disciples** Zacharias Tanee Fomum, 2015-03-22 This critically important book is presented by the author as An attempt to provide the needful for the Lord s call to make disciples It is a statement of the revelations doctrines methods and principles of discipleship aimed at helping anyone to experience discipleship and thereby lead others to grow in a way to become active workers in making others into disciples of Jesus Christ It is a book to read and recommend to any servant of God cognizant of the glorious mission that the Lord Jesus Christ has entrusted to His church Therefore go and make disciples of all nations Finally the making of disciples is all about the work of transforming a sinner into a repentant sinner a repentant sinner into a convert a convert into a young disciple leading the young disciple to spiritual maturity and finally helping him to become a disciple maker This book is highly recommended to the body of Christ **Disciple Making Is . . .** Dave Earley, Rod Dempsey, 2013-08-01 Disciple Making Is stands as one of the most thorough books yet offered regarding how to make disciples In thirty brief hard hitting but easily accessible chapters the entire scope of disciple making is presented in a way that will inspire and inform the reader to obey the Great Commission with great passion Grounded on a solid biblical foundation authors Dave Earley and Rod Dempsey both veterans of one on one collegiate small group and local church discipleship share their practical insights on how to best reproduce reproducers of Christ s message Each compelling entry is set up to finish the sentence that begins with the book s title For example Disciple Making Is Embracing the Cross Forsaking All to Follow Jesus Living on Mission Launching an Unstoppable Force Mentoring Disciples as Jesus Did Multiplying Disciple Makers as Paul Did Creating a Healthy Church and more **The Disciple's Handbook** Fr. David L. Hall, 2020-02-05 Twenty years ago God led me to the writings of the church fathers and then on a journey that changed my life I discovered the amazing spiritual depth throughout all the eras of the church and began to realize that I was settling for scraps when God had prepared a banquet This handbook was written as an aid to Christians from all traditions to help them hit the ground running to discover even greater depth and passion in their walk with Christ **The Reflective Disciple** Roger Walton, 2014-07-24 Helps readers to explore the concept of discipleship beginning with the New Testament and through examining snapshots of various patterns of discipleship as well as reflecting on discipleship in our contemporary context and setting Please Become Our Disciple! Donna Louise Smith, Jon Dean Smith, 2014-12-15 If you are desperate to know God better this book is for you If you want to be taught by gentle yet firm veterans just like Jesus taught his twelve disciples this book is for you If you want to produce disciples who can overcome persecution this book is for you Observing our mature Christlike friends change their home lives and workplaces into peaceful excellent production centers brings us joy Watching them continue to maximize others around them brings us great joy **The Gospel of the Beloved Disciple** Herman C. Waetjen, 2014-05-22 There is a general consensus that the Fourth Gospel underwent two editions But in contrast to all previous efforts to reconstruct these two editions on the basis of source and redaction criticism Waetjen maintains that

these two editions essentially overlap without far reaching changes Chapter 120 originated within the Jewish community of Alexandria and were addressed to Jews in order to persuade them to believe in Jesus as the Messiah the Son of God The second edition originated when chapter 21 was added and certain revisions were made in chapters 120 by an editor in the Christian community of Ephesus in order to present the Gospel to Gentile Christians and perhaps attendantly to legitimate it for canonization Waetjen examines John's gospel by engaging in a close reading of various units of the Gospel from the perspective of a two level drama that presents two narrative worlds within the literary structure of the Gospel Out of his readings of the texts one of the major and provocative conclusions Waetjen draws is that Lazarus is the Beloved Disciple of Jesus in chapters 120 John the son of Zebedee is intimated to play the role of the Beloved Disciple not only in chapter 21 but throughout the Gospel In other words the editor of chapter 21 has concluded that John based on the title that the gospel already bears is the Beloved Disciple and project that backwards from chapter 21 throughout the previous 20 chapters Waetjen's thorough scholarship and his attention to detail in his original readings challenge traditional readings of John's Gospel providing fresh insights into the Gospel

**Women in John's Gospel** Susan Miller, 2023-01-26 Closely examines John's portrayal of women in relation to discipleship and the theme of new creation arguing that these depictions are influenced by his apocalyptic world view By employing historical and literary methods of biblical interpretation to analyse John's presentation of women and gender Miller explores the extent to which John gives any indications of the female role in both John's community and the beginnings of the Christian faith Beginning with the Virgin Mary's portrayal at the wedding at Cana where she prompts Jesus to carry out his first sign Miller then thoroughly assesses several crucial female characters in John to stress how Jesus' female followers truly recognise him as the Messiah These include the Samaritan woman Martha and Mary of Bethany and Mary Magdalene and her encounter with Jesus in the garden Crucially Miller suggests that John's frequent use of woman links these female followers particular Jesus' venerated mother with the figure of Eve in Genesis and she concludes that women are associated with the hour of Jesus when he casts out the ruler of the world and inaugurates the new creation
