What Is the New Jerusalem? David Jensen, 2023-02-09 We all know about how we were taught that when we die we will stand before Peter at the pearly gates and he holds a book determining if we are worthy of entering the gates of heaven We were told we will be running down streets of gold and having a mansion we reside in this enormous cube extending 1500 miles in all directions But have you really thought about that Have you considered how strange that would look on the earth When I began studying that I noticed that it is not mentioned in scripture But what is mentioned is the description of the bride of Christ In Revelation chapter 21 John is describing the bride as a beautiful city and not a literal super cube coming down In this book I will go verse by verse explaining this description so you can have an accurate knowledge of the Word of God

**The New Jerusalem in the Revelation of John** Bruce J. Malina, 2000 There are two major entities at the close of the book of Revelation that explain the author's understanding of forthcoming life with God the Celestial City the heavenly Jerusalem and the cosmic Lamb The marriage of these two marks the concluding highpoint of John the Seer's work What are the entities in question How do they marry and what is the significance of that event for those who believe in Jesus as cosmic Lord In *The New Jerusalem in the Revelation of John* Bruce Malina offers insights into the concluding Vision of the book of Revelation to assist Bible readers to understand what the Visionary of Revelation said and meant to say to his first century Mediterranean audience *The New Jerusalem and the Revelation of John* sets out comparative models of what sorts of cities existed during the time of the New Testament and what it meant to live in an ancient Mediterranean city It further explains the significance of the celestial marriage of the City and the Lamb The result is a set of reading scenarios that describe and explain Revelation's closing Visions which mediate the theology of John the Seer The definition and comparative model of the city in *The New Jerusalem and the Revelation of John* is also useful for persons interested in understanding those first urban members of Jesus groups addressed by other New Testament documents Chapters are Presuppositions about Language and Reading The Genre of the Book of Revelation The Holy City in the Sky and The Cosmic Lamb Marries Includes relevant charts Bruce J Malina STD is professor of biblical studies at Creighton University He is former president of the Catholic Biblical Association and author of articles on biblical interpretation

From Eden to the New Jerusalem T. Desmond Alexander, 2009-10-13

**The New Jerusalem in the Book of Revelation** Pilchan Lee, 2001 There is a development between expectation for the rebuilding of the New Jerusalem Temple in the Old Testament and the coming of the New Jerusalem Temple in Revelation In Revelation there is a dynamic relation between the New Jerusalem and the Heavenly Jerusalem the New Jerusalem is the descent of the Heavenly Jerusalem Moreover there is no Temple building which was expected as the eschatological promise in the Old Testament but rather God and the Lamb is the Temple How can this shift be explained Pilchan Lee examines the exegetical tradition which existed between the Old Testament and Revelation He

assumes that as the exegetical tradition the early Jewish apocalyptic literature functions as a key element for forming the idea of the New Jerusalem in Revelation John's main argument is that the church which is symbolized by several images is placed in heaven now chapters 4-20 and the church which is symbolized by the New Jerusalem will descend to the earth from heaven in the future 21-22
