The New Legacy One Texans Thoughts On Politics Family And Power:

Essentials of the Language of Conscience Tieman Dipple,2008-10 The purpose of Essentials of the Language of Conscience is to build a moral decision matrix on ethics to avoid moral hazard in public policy and to create an educated citizen of responsibility *The New Legacy* Tieman H. Dippel, Jr.,1987-09 When first printed in 1986 The New Legacy was excerpted by Texas Business Magazine which called it a crucial new book that urged Texans to take a national leadership role in ethics education business and statesmanship Now updated to bring it to modern times and explain the conscience versus convenience analysis of enlightened conservatism The New Legacy sets the fundamental value base for its sister book Language of Conscience The publishers weekly ,1987 **The New Legacy** Tieman Dippel,Tieman H. Dippel,1987-09

Publishers Weekly ,1986 **Unsolved Texas Mysteries** Wallace O. Chariton,Kevin Young,Charlie Eckhardt,1992-05-01 What happened to the documents captured in the Alamo Does a ghost actually haunt the state capitol in Austin Was John Wilkes Booth killed or did he escape and flee to Central Texas The authors present the known facts and circumstances of these and other mysteries **Bowker's Law Books and Serials in Print** ,1986 *LBJ's Neglected Legacy* Robert H. Wilson,2015-06-15 During the five full years of his presidency 1964 1968 Lyndon Johnson initiated a breathtaking array of domestic policies and programs including such landmarks as the Civil Rights Act Head Start Food Stamps Medicare and Medicaid the Immigration Reform Act the Water Quality Act the Voting Rights Act Social Security reform and Fair Housing These and other Great Society programs reformed the federal government reshaped intergovernmental relations extended the federal government s role into new public policy arenas and redefined federally protected rights of individuals to engage in the public sphere Indeed to a remarkable but largely unnoticed degree Johnson s domestic agenda continues to shape and influence current debates on major issues such as immigration health care higher education funding voting rights and clean water even though many of his specific policies and programs have been modified or in some cases dismantled since his presidency LBJ s Neglected Legacy examines the domestic policy achievements of one of America s most effective albeit controversial leaders Leading contributors from the fields of history public administration economics environmental engineering sociology and urban planning examine twelve of LBJ s key domestic accomplishments in the areas of citizenship and immigration social and economic policy science and technology and public management Their findings illustrate the enduring legacy of Johnson s determination and skill in taking advantage of overwhelming political support in the early years of his presidency to push through an extremely ambitious and innovative legislative agenda and emphasize the extraordinary range and extent of LBJ s influence on American public policy and administration **You Will Never Be One of Us** Timothy Paul Bowman,2022-07-28 During the spring semester of 1975 Wayne Woodward a popular young English teacher at La Plata Junior High School in Hereford Texas was unceremoniously fired His offense Founding a local chapter of the American Civil Liberties Union ACLU Believing he had been unjustly targeted Woodward sued the school

district You Will Never Be One of Us chronicles the circumstances surrounding Woodward s dismissal and the ensuing legal battle Revealing a uniquely regional aspect of the cultural upheaval of the 1970s the case offers rare insight into the beginnings of the rural urban local national divide that continues to roil American politics By 1975 Hereford a quiet farming town in the Texas Panhandle had become majority minority and Woodward s students were mostly the children of Mexican and Mexican American workers at local agribusinesses Most townspeople viewed the ACLU as they did Woodward s long hair and politics as threatening a radical liberal takeover and a reckoning for the town s white power structure Locals were presented with a choice either support school officials who sought to rid themselves of a liberal troublemaker or side with an idealistic young man whose constitutional rights might have been violated In Timothy Bowman s deft telling Woodward s story exposes the sources and depths of rural America s political culture during the latter half of the twentieth century and the lengths to which small town conservatives would go to defend it In defining a distinctive rural middle American Panhandle conservatism You Will Never Be One of Us extends the study of the conservative movement beyond the suburbs of the Sunbelt and expands our understanding of a continuing perhaps deepening rift in American political culture **The George W. Bush Presidency** Fred I. Greenstein,2004-12-01 Between his inauguration and September 11 2001 George W Bush s presidency appeared to lack focus The rhetoric of the campaign trail did not readily translate into concrete policies and a closely divided Congress restrained executive action The terrorist attacks on New York and Washington however changed all of that In their aftermath Bush emerged as a strong decisive leader with a deep sense of purpose and certainty that inspired many Americans even as it alienated much of the rest of the world In The George W Bush Presidency An Early Assessment noted presidential scholar Fred I Greenstein brings together a distinguished group of political scientists to consider the first two and a half years of the George W Bush presidency from his leadership style and political ethos to his budgetary and foreign policies to his relationship with Congress the electorate and the American public This balanced and timely volume concludes with an invaluable insider s view of the president and his administration by John J DiIulio the first Director of the White House Office of Faith Based and Community Initiatives Contributors Richard A Brody Ivo Daalder John J Dilulio Jr John Fortier Hugh Heclo Karen M Hult Gary Jacobson Charles O Jones James Lindsay Norman Ornstein and Allen Schick
