The Happy Time:

Wolfpack Roger Moorhouse, 2025-10-21 From a top scholar of World War II the fascinating John C McManus definitive history of Germany's U boat campaign that challenged British naval supremacy and brought international trade to its knees Winston Churchill once remarked that the only threat to truly frighten him was the peril of Nazi U boats Over the course of World War II Germany's submariners sank over three thousand Allied ships nearly three quarters of Allied shipping losses in all theaters of the war In the process the submariners endured horrific conditions and suffered a 75 percent death rate the highest of any arm of service in the conflict Yet their story has never been told in full In Wolfpack historian Roger Moorhouse tells the story of the Battle of the Atlantic from the point of view of the German submariners He tracks these men from the enthusiasm of the war's early days buoyed with optimism about their cause through the challenges of the Allied counterthreat to the final horrors of enemy capture and death in the depths It is a story of courage certainly but also of fear privation and ultimately failure Drawing extensively on war diaries archival records and the voices of the German submariners themselves Wolfpack is a story of technological brilliance dramatic naval engagements and extraordinary human endurance

The Theatre of Kander and Ebb Robert Gordon, 2025-07-24 Discover John Kander and Fred Ebb the most artistically and commercially successful musical theatre writing team since Rodgers and Hammerstein in a brand new way Identifying the theatrical approach that renders their musical dramaturgy unique this book explores their importance within and contribution to musical theatre history Through their biggest hits Cabaret 1966 and Chicago 1975 Kander and Ebb have been performed on the stage more times both within and outside of the USA than any other American musical theatre writers Unlike Sondheim whose work from 1964 increasingly aspired towards the avant garde Kander and Ebb located their projects in a nexus between art and commercial entertainment seeking to deconstruct popular forms in order to expose their ideological function This book investigates the full range of Kander and Ebb's collaboration from the pure comic entertainment of 70 Girls 70 1971 and Curtains 2006 to more overtly serious musicals such as Kiss of the Spiderwoman 1992 The Scottsboro Boys 2010 and The Visit 2014 which were less commercially

successful precisely because they addressed disturbing subjects It explores how the difficult material inspired beautiful though challenging scores It also probes how the ironic counterpointing of luscious music with witty and demotic lyrics challenges the desire of a Broadway audience for escapist entertainment devoid of critical self reflection in order to create complex yet popular masterpieces of the genre This is the first volume to explicitly analyse the recurrent theatrical tropes and dramaturgical forms in Kander and Ebb s musicals offering an in depth introduction to their oeuvre Summary of Kitchen Confidential Updated Edition SellWave Audio,2025-10-23 Nearly twenty years ago The New Yorker ran a provocative article titled Don t Eat Before You Read This by a then obscure chef named Anthony Bourdain He held nothing back exposing the unvarnished reality of what transpires behind kitchen doors The piece created a firestorm and the book it inspired the now legendary Kitchen Confidential became an even greater phenomenon selling over a million copies and cementing its status as a cultural touchstone Brutally honest sharply witty and refreshingly direct Bourdain delivers an unflinching account of his decades in the restaurant industry This memoir doesn t soften any edges or spare anyone s sensibilities Fans will relish returning to this wickedly entertaining delightfully outrageous collection of true stories from the culinary world as Chef Anthony Bourdain chronicles more than twenty five years of drugs sex and fine dining now featuring previously unpublished material The Friend of Israel Anonymous,2023-06-16 Reprint of the original first published in 1857 The publishing house Anatiposi publishes historical books as reprints Due to their age these books may have missing pages or inferior quality Our aim is to preserve these books and make them available to the public so that they do not get lost
