The Hell That Is Ice:

The Hell That Is Ice James Markert, 1998-07 **Fire Beneath the Ice** Helen Brooks, 2011-07-15 He wanted passion not commitment Lydia's new boss was a powerfully charismatic man But Lydia dared not surrender to the dangerously sweet attraction she felt toward Wolf Strade He might be icy cool on the outside but he was all fire and passion underneath just a little too hot to handle And Wolf made it clear that love and marriage didn't feature on his agenda whereas Lydia had her tiny daughter Hannah to think of But still she couldn't get Wolf out of her mind Should she try and melt the icy barrier around Wolf's heart and if so how Helen Brooks pens a superb story with rich characters sparkling interplay and a riveting emotional conflict *Romantic Times*

The Telescope in the Ice Mark Bowen, 2017-11-14 IceCube Observatory a South Pole instrument making the first actual observations of high energy neutrinos has been called the weirdest of the seven wonders of modern astronomy by *Scientific American* In *The Telescope in the Ice* Mark Bowen tells the amazing story of the people who built the instrument and the science involved Located near the U S Amundsen Scott Research Station at the geographic South Pole IceCube is unlike most telescopes in that it is not designed to detect light It employs a cubic kilometer of diamond clear ice more than a mile beneath the surface to detect an elementary particle known as the neutrino In 2010 it detected the first extraterrestrial high energy neutrinos and thus gave birth to a new field of astronomy IceCube is also the largest particle physics detector ever built Its scientific goals span not only astrophysics and cosmology but also pure particle physics And since the neutrino is one of the strangest and least understood of the known elementary particles this is fertile ground Neutrino physics is perhaps the most active field in particle physics today and IceCube is at the forefront *The Telescope in the Ice* is ultimately a book about people and the thrill of the chase the struggle to understand the neutrino and the pioneers and inventors of neutrino astronomy

before it's too late *The Girl with Ice in Her Veins* is a twisty vertiginous hard hitting thriller that breathes new life into Stieg Larsson's epic series and unforgettable characters *Falling For The Ice Queen* Cynthia Eden, 2022-06-14 He's more than a little rough around the edges Memphis Camden isn't a nice guy He's big dangerous and has an extremely low tolerance for BS A former bounty hunter Memphis now has a deadly new target a serial killer Memphis has been tracking the guy for months and he may just have found the way to drag the monster into the light In order to accomplish his mission he's going to need help from an unlikely ally She's elegant poised and a beautiful society queen Eliza Robinson doesn't talk about her past She tried going to the cops long ago but they never caught the man responsible for her abduction and her powerful family made sure to bury every detail about that night Now she spends her days dodging the stiff guards her family keeps sending her way Until someone very unusual steps into her path He's not like the others He's fierce ruggedly sexy and more than a little uncivilized At first Eliza thinks that Memphis is a new bodyguard The attraction she feels for him is white hot stunning in its intensity and it completely disrupts her carefully ordered life But Memphis isn't suddenly close to her because he's on her parents payroll Memphis belongs to a group of cold case solvers called the Ice Breakers and for his latest mission He's hunting the man who once turned Eliza's world into a nightmare Memphis wants her help because she is the only one who ever escaped from the monster What Memphis doesn't know is that the monster has been stalking Eliza ever since she fled from him They are complete opposites The only rules that Memphis follows are the ones that he makes He hits life full force with no apologies Eliza is reserved careful in all that she does and always on her guard They shouldn't want each other so badly but they do Their attraction won't be denied and their sudden forced proximity just throws them closer to the edge of desire Eliza is determined to help Memphis and she'll take any risk to end the nightmare that has haunted her But with every moment that passes the danger deepens around her and soon Memphis realizes that closing the latest case isn't his top priority Protecting Eliza making sure that she's safe that is his only goal Because the refined and cautious Eliza may have just stolen his heart Author's Note Memphis never loses his prey He's alpha to his core fierce and dedicated and when he falls oh but he will fall hard His latest cold case has taken him into Eliza's high society world The fierce attraction he feels for Eliza catches him off guard and all too soon he can't imagine his life without her in it But someone else has eyes on Eliza too Someone who has been watching her for a very long time A cold case is about to ignite and if they aren't careful Memphis and Eliza might just get caught in the blaze **Time's Up. She's Breaking the Ice.** Craig Steele., 2018-07-11 Detective Matilda White confronts a violent fascist drug cartel who are using addiction horrific torture and staged executions to take hold of the city She faces off with her all women team against a large armed militia their vile leaders and the hideous creatures used to control with absolute terror Meth is just the tip of this bloody Iceberg What hides beneath is pure evil A savage battle like no other [International Milk Dealer](#), 1914 **Breaking the Ice: A Gay Hockey Romance** Sterling Rush, 2025-02-24 Finn Hockey has been my whole life and I've dedicated every waking moment to making it to the NHL But

lately I'm feeling burnt out and unsure if I'll ever reach my dream I need something or someone to shake things up Enter Ollie a quirky guy with glasses and a book in hand who seems completely out of place at the crowded college party where we meet I accidentally spill my drink on him and in my attempt to apologize I offer him my lucky hockey jacket Seeing him wear my jacket does something to me it makes me feel protective in a way I can't explain When I find out he's open to exploring his sexuality my heart races He only wants a casual fling but I'm up for the challenge I'm not letting this opportunity slip through my fingers Ollie I'm an introverted computer science major who sticks to the library avoiding the chaos of college social life I've always identified as straight but my charismatic and fiercely loyal cousin has always been out and proud which makes my journey to understanding my own feelings complicated Then Finn stumbles into my life all muscles and messy blond hair teasing me to give him a chance He's persistent and I'm curious I accept his challenge thinking it's just a bit of fun But the more time I spend with him the deeper I fall When Finn faces a career threatening injury everything changes I have to decide whether to risk it all for him or retreat back to my comfort zone Breaking the Ice is the first book in the Frozen Hearts series It combines the humor of a jock meets nerd romance with the emotional rollercoaster of discovering one's identity With laugh out loud moments dramatic tension and heartwarming scenes this story explores how love can bloom in the most unexpected places and how sometimes taking a chance on someone is the biggest game changer of all The Frozen Hearts series follows a close knit group of friends navigating love life and hockey in college each finding their way to a happily ever after

The Ice House Laura Lee Smith, 2017-12-05 A thought provoking multinational tale that will challenge your crime solving skills and teach you lots about the Scottish Highlands The St Augustine Record From a writer who's been praised for her intelligence heart wit Richard Russo Pulitzer Prize winning author of Empire Falls The Ice House follows the beleaguered MacKinnons as they weather the possible loss of the family business a serious medical diagnosis and the slings and arrows of familial discord Johnny MacKinnon might be on the verge of losing it all The ice factory he married into which he's run for decades is facing devastating OSHA fines following a mysterious accident and may have to close The only hope for Johnny's livelihood is that someone in the community saw something but no one seems to be coming forward He hasn't spoken to his son Corran back in Scotland since Corran's heroin addiction finally drove Johnny to the breaking point And now after a collapse on the factory floor it appears Johnny may have a brain tumor Johnny's been ordered to take it easy but in some ways he thinks what's left to lose This may be his last chance to bridge the gap with Corran and to have any sort of relationship with the baby granddaughter he's never met Smith weaves their stories expertly moving from Jacksonville to Scotland and back from another disaster to a laugh out loud moment Her tenderness toward her characters and subtle understanding of class differences in American society are reminiscent of such novelists as Richard Russo and Jennifer Egan but this heartbreaking heartwarming novel is an original Tampa Bay Times A beautiful character driven novel Indie Picks Magazine
