The Foundation of Christian Hope: Being a Plain and Impartial Inquiry After a Safe Ground of Confidence for a Sinful Creature at the Bar of God. In Two Discourses ... Fifth Edition Edward Craig,1838 **The Christian Hope**

William Adams Brown,1912 **Life, Death, and Christian Hope** Daneen Georgy Warner,2009 This book challenges Christians to reframe dying and death in three ways First Christians should acknowledge the truth about the human condition Having done so Christians are then free to accept lament as an important Christian practice for moving from a dependency on human hope to hope in God or divine hope Second with lament Christians are better able to accept death and dying in response to the Good News of Holy Scripture Baptism and Eucharist The Good News is Christ has died Christ is risen Christ will come again the mystery of faith and source of Christian hope This hope through God s grace moves Christians to love others within an eschatological community that transcends both time and place Third Christians transform faith communities in light of the Good News so that love flourishes in daily dying to self through beatitudinal living for others As a result the preparation of daily dying forms Christians to accept mortality not as the worst evil to resist in every way but rather as the final stage of a life long journey with Christ into eternal life The book challenges Christians both clergy and laypersons to consider this perspective This challenge is supported with both scriptural and theological explanations as well as practical observations for reflection from unscientific discussions with twenty Christians both clergy and church member from five different Christian traditions **Christian Hope** John Angell James,1858 The Christian Hope in the Apocalypse John Kenneth Mozley,1915 **Our Christian Hope** David S. Dockery,2008-01-01 With the dawning of a new millennium many are probing ancient prophecies for light on world events David Dockery commendably focuses on inspired Scripture as Southern Baptists ask what doctrines legitimately offer Christian hope Carl F H Henry author of God Revelation and Authority In an age of failed utopias and false messiahs on every hand believers need more than ever before to be reminded of the great promise of Christ s return in glory David Dockery does a superb job of focusing on the main event at the conclusion of world history the Second Coming of Jesus Christ This study helps us avoid idle speculation by lifting our hearts to our risen and returning savior Timothy George Dean and Professor of Divinity Beeson Divinity School The excellences of Our Christian Hope are many David Dockery has given enough content to deal with pressing contemporary questions which people ask about the end times Christians should read and study this book thoroughly Thomas D Lea former Dean Southwestern Baptist Theological Seminary David Dockery has demonstrated once again that he is one of evangelicalism s gifted theologians He has articulated the doctrine of eschatology with clarity and conviction This book is simply an outstanding study of a critical doctrine Thom S Rainer President and CEO of LifeWay Christian Resources
