The Navajo Long Walk Look West Series

**George Thomas Kurian, Mark A.
Lamport**

The Navajo Long Walk Look West Series:

The Native American Contest Powwow Steven Aicinena,Sebahattin Ziyanak,2021-11-02 The Native American Contest Powwow introduces Cultural Tethering Theory to convey the importance of the contest powwow in the celebration and preservation of Native American culture The book addresses the concepts of culture cultural change acculturation assimilation and illustrates how competitive powwows align with and differ from competitive sporting events Authors Steven Aicinena and Sebahattin Ziyanak go on to explain how the modern intertribal contest powwow evolved and why modern Native American cultures are experiencing an erosion of traditional values a rapid loss of traditional languages dysfunctional changes in social organization limited opportunity to transmit culturally valued knowledge and reduced opportunities for youths to observe culturally appropriate behavior The authors also examine Native American identity and explore who can legitimately claim to be a Native American under current laws and customs Additional topics addressed include blood quantum cultural knowledge cultural participation being Indian and playing Indian Finally the authors describe the difference between being Native American and playing Indian in powwow and pseudo cultural powwow environments

Atlas of the Indian Tribes of North America and the Clash of Cultures Nicholas J. Santoro,2009 Atlas of the Indian Tribes of the Continental United States and the Clash of Cultures The Atlas identifies of the Native American tribes of the United States and chronicles the conflict of cultures and Indians fight for self preservation in a changing and demanding new word The Atlas is a compact resource on the identity location and history of each of the Native American tribes that have inhabited the land that we now call the continental United States and answers the three basic questions of who where and when Regretfully the information on too many tribes is extremely limited For some there is little more than a name The history of the American Indian is presented in the context of America s history its westward expansion official government policy and public attitudes By seeing something of who we were we are better prepared to define who we need to be The Atlas will be a convenient resource for the casual reader the researcher and the teacher and the student alike A unique feature of this book is a master list of the varied names by which the tribes have been known throughout history

Handbook of Fathers and Child Development Hiram E. Fitzgerald,Kai von Klitzing,Natasha J. Cabrera,Júlia Scarano de Mendonça,Thomas Skjøthaug,2020-10-01 This handbook provides a comprehensive review of the impact of fathers on child development from prenatal years to age five It examines the effects of the father child relationship on the child s neurobiological development hormonal emotional and behavioral regulatory systems and on the systemic embodiment of experiences into the child s mental models of self others and self other relationships The volume reflects two perspectives guiding research with fathers Identifying positive and negative factors that influence early childhood development specifying child outcomes and emphasizing cultural diversity in father involvement and examining multifaceted specific approaches to guide father research Key topics addressed include Direct assessment of father parenting rather than through maternal reports The effects of

father presence in contrast to father absence The full diversity of father involvement Father s impact on gender role differentiation Father s role in triadic interactions of family dynamics Father involvement in psychotherapeutic family interventions This handbook draws from converging perspectives about the role of fathers in very early child development summarizes what is known and within each chapter draws attention to the critical questions that need to be answered in coming decades The Handbook of Fathers and Child Development is a must have resource for researchers graduate students and clinicians therapists and other professionals in infancy and early child development social work public health developmental and clinical child psychology pediatrics family studies neuroscience juvenile justice child and adolescent psychiatry school and educational psychology anthropology sociology and all interrelated disciplines The Ghost Road Matthew L.M. Fletcher,2020-10-14 Even before the Revolutionary War American colonists feared and fought merciless Indian savages and through the following centuries American law and policy have been molded by the relentless tradition of Indian hating From proportional representation and restrictions on the right to bear arms to the break up of tribal property rights and the destruction of Indian culture and family the attacks on tribal governance and people continue and remain endemic More than just a study of the progression of law this book balances each chapter s history with the relating of a traditional Anishinaabe story or teaching providing both context and a roadmap for survival **Texas Parks & Wildlife** ,2006

American Book Publishing Record ,2003 *American Indians at the Margins* H. Roy Kaplan,2022-05-11 Since the earliest days of America racist imagery has been used to create harmful stereotypes of the indigenous people In this book the conflict between invading European white settlers and the indigenous groups who occupied the land that became the United States is described through the context of race and racism Using depictions from art literature radio cinema and television the origin and persistence of such stereotypes are explained and their debilitating effects on the well being of Indians are presented This text also explores their accomplishments in attempts to maintain their sovereignty dignity and respect

Encyclopedia of Christianity in the United States

George Thomas Kurian, Mark A. Lamport, 2016-11-10 From the Founding Fathers through the present Christianity has exercised powerful influence in the United States from its role in shaping politics and social institutions to its hand in inspiring art and culture The Encyclopedia of Christianity in the United States outlines the myriad roles Christianity has played and continues to play This masterful five volume reference work includes biographies of major figures in the Christian church in the United States influential religious documents and Supreme Court decisions and information on theology and theologians denominations faith based organizations immigration art from decorative arts and film to music and literature evangelism and crusades the significant role of women racial issues civil religion and more The first volume opens with introductory essays that provide snapshots of Christianity in the U S from pre colonial times to the present as well as a statistical profile and a timeline of key dates and events Entries are organized from A to Z The final volume closes with essays exploring impressions of Christianity in the United States from other faiths and other parts of the world as well as a select yet comprehensive bibliography Appendices help readers locate entries by thematic section and author and a comprehensive index further aids navigation

[Oh, Give Me a Home](#) Ann Ronald, 2006 A realistic but nostalgic look at the land that is as much a state of mind as it is an actual place examines what it means to be a westerner today and how present actions are shaping the landscapes institutions culture and potential of the American West for future generations Original
