## **The New Creation:**

**The New Creation** Herbert McCabe, 2010-10-28 A reissue of McCabe's study of the sacraments and what it means to live in the Church and the Church's world. The New Creation explores how human beings can reach real unity with one another and the world around them through the Spirit of Christ. The New Creation engages with themes like the Word of God, the Son of God, the meaning of community and communion, and the sacraments as mysteries of human unity, the place of physical healing in the redeemed world, and the Old Testament and pagan religious foundations upon which modern Christianity is built. There is a humane simplicity in McCabe's insights into all of these subjects similar to that found in the Gospels, which provides the reader with clarity on inherently complex theological issues. Christ is present to us in so far as we are present to each other, as McCabe tells us, and this book plainly and vividly encourages us to find the company of both.

**The New Creation in Christ** Alfred Prempeh-Dapaah, 2016-04-30 What actually makes a person become a new creation in Christ and what should be the lifestyle of the new creation in Christ? This book reveals some of the realities of the new creation in Christ that can be compared to a metamorphosis. Knowing what makes a person become a new creation in Christ is the beginning of a good, strong, and successful Christian life. It helps the person to identify themselves and what they have to accomplish God's purposed plan of life for them in Christ. Good to be read by the just born again and all that seeks to grow into spiritual maturity.

*New Creation Realities* E. W. Kenyon, 2025-07-15 Christianity has revealed the secret that psychologists have long sought: the inward soul, the re-created spirit, the focus of God's great redemptive work on earth. The four Gospels give us a wonderful picture of the lonely man of Galilee, the humble Messiah who ends His earthly walk on Calvary. But Paul's Epistles give us the risen, triumphant One, the conqueror of death, sin, and Satan. He provides the revelation of what happened on the cross and in the tomb, and how that affects who and what we are in Christ today. Legendary Bible teacher E. W. Kenyon delves deeply into Paul's teaching to give us a living picture of the entire substitutionary work of Christ, which made possible the new creation: a new race of men and women who can stand in God's presence without a sense of guilt, condemnation, or inferiority.

**Christ and the New Creation** Matthew Y. Emerson, 2013-04-10 In *Christ and the New Creation*, Matthew Emerson takes a fresh approach to understanding New Testament theology by using a canonical methodology. Although typically confined to Old Testament theology, Emerson sees fruitfulness in applying this method to New Testament theology as well. Instead of a thematic or book-by-book analysis, Emerson attempts to trace the primary theological message of the New Testament through paying attention to its narrative and canonical shape. He concludes that the order of the books of the New Testament emphasizes the story of Christ's inauguration, commissioning, and consummation of the new creation.

**The New Creation and the Storyline of Scripture** Frank Thielman, 2020-12-09 A Biblical Theology of the New Creation from Genesis to Revelation. Behold, the dwelling place of God is with man; He will dwell with them, and they will be His people, and God Himself will be with them as their God. Revelation 21:3. The Bible begins with the story of one

perfectly good God creating a perfectly good universe Forming two perfectly good human beings in his own image Adam and Eve was the crown jewel of his creative expression Through humanity s sin however God s creation fell into a fallen state yet he promised to bring restoration In this book Frank Thielman traces the theme of the new creation through the Bible beginning in Genesis and ending in Revelation He shows us that at every turn God invites his people to be a kingdom of priests Exodus 19 6 exemplifying the new creation to a needy and watching world until the return of Jesus Dynamics of the new Creation with study notes Tony Smits, Tony Smits B.Th, 2011 *THE NEW CREATION* Daniel Obikwelu, 2011-11 The New Creation is a resuscitation of the basic truth of Christ in our generation as God never fails to inspire great work in every age to heal his people It is a transformation from darkness to his marvelous light into the higher glory of the mystery of God whose will is to give us his kingdom The mysteries contained therein is part of the greatest truth revealed by the eternal wisdom of God in our own time for our completeness and a glorious covenant of life against the false teachings that has done so much harm to the mystical body of Christ I am quite certain that heresy indifference schism evil doctrines and powers of this age cannot stop the spirituality and message of this wonderful book for the angels of constellations are at work

**Christians and the New Creation** Paul Sevier Minear, 1994-01-01 In this major thematic work senior scholar Paul Minear examines the Genesis motifs that are echoed in numerous parts of the New Testament By doing so Minear links the story of the old creation with the story of the new creation as he examines the language of beginnings creation fall and curse found in both testaments Minear concludes that there is a need to reexamine the legacy of the old creation in order to understand and value the gift of the new creation *The New Creation of God* Felipe Guzman, 2022-09-14 Most assuredly I say to you unless one is born of water and the Spirit he cannot enter the kingdom of God John 3 5 NKJV For in Christ Jesus neither circumcision nor uncircumcision avails anything but a new creation Galatians 6 15 NKJV You are made in the image of God You possess a body and soul that are always in a state of change through growth maturation and learning Your spirit however is the real you that remains constant You are either the new creation of God or in an apostate state directed away fro God Once you grasp the reality of how your body soul and spirit function in this world according to God s plan you will truly understand the beauty of Romans 8 1 NKJV saying There is therefore now no condemnation for those who are in Christ Jesus

**As It Was in the Beginning** Mark Owens, 2015-10-15 Paul s comments regarding the new creation in 2 Cor 5 17 and Gal 6 15 have tended to be understood somewhat myopically Some argue the phrase new creation solely refers to the inward transformation believers have experienced through faith in Jesus Christ Others argue this phrase should be understood cosmologically and linked with Isaiah s new heavens and new earth Still others advocate an ecclesiological interpretation of this phrase that views Paul referring to the new community formed around Jesus Christ In *As It Was in the Beginning* Mark Owens argues that the concept of new creation should be understood like the gospel within the realm of Paul s anthropology cosmology and ecclesiology At the same time he also argues that Paul s understanding of new creation

belongs within an Urzeit Endzeit typological framework especially within 2 Cor 5 6 and Eph 1 2 This reading of new creation attempts to give due weight to the use of Isaianic traditions in 2 Cor 5 17 and Eph 2 13 17 Owens demonstrates that the vision of new creation in 2 Corinthians and Galatians is starkly similar to that of Ephesians
