The New Las Vegas:

Super Casino Pete Earley, 2009-11-04 In this lively and probing book award winning author Pete Earley traces the extraordinary evolution of Las Vegas from the gaudy Mecca of the Rat Pack era to one of the country's top family vacation spots. He revisits the city's checkered history of moguls, mobsters, and entertainers, reveals the real stories of well-known power brokers like Steve Wynn, and legends like Howard Hughes and Bugsy Siegel, and offers a fascinating portrait of the life, death, and fantastic rebirth of the Las Vegas Strip. Earley also documents the gripping tale of the entrepreneurs behind the rise and fall and rise again of one of the largest gaming corporations in the nation, Circus Circus, to which he was given unique access. In his trademark style, he takes us behind the scenes to meet the blackjack dealers and hookers, the heavy hitters and bit players, the security officers, cabbies, and showgirls who are caught up in the mercurial pace that pulses at the heart of this astounding city.

High Stakes Gary Provost, 2017-10-08 For decades the name Las Vegas summoned up the image of a neon world of nonstop gambling, gangsters, sex, and adult entertainment. But today Las Vegas has transformed itself into a family vacation spot, second only to Disneyworld on America's leisure time itinerary. What and who is responsible for this multibillion-dollar transformation? With *High Stakes*, Gary Provost takes the reader on a wide-ranging tour of Nevada's newly revitalized 21st-century vacation world. This inside look at both the gaming business and its new total entertainment centers, which now host twenty million visitors a year, reveals how Las Vegas became a clean, attractive, family-oriented resort. Today, casino gambling is just one attraction of many; most of them new, amazing theme parks, spectacular virtual reality rides, futuristic glass domes, the world's tallest tower, a sky laser that can be seen all the way to Los Angeles. Circus Circus Enterprises Inc. is used as a model of excellence to show how the Las Vegas gaming industry develops markets and delivers its entertainment product at a lower price and with greater profits than any of its competitors. Highlighted by a preview of Circus Circus' astonishing pyramid, Luxor, the new centerpiece of the greatest gaming empire in history, *High Stakes* includes extensive interviews with Luxor's legendary creator, William G. Bennett, the man who taught the entire gaming industry how to attract the vast market of family-oriented vacationers. Also covered are all the games of chance that a casino like Circus Circus offers and the odds each gives everything the casino hands out for free, and why the different ways in which high rollers and ordinary folk are treated; how legendary casinos of the past have crashed to oblivion and the hot newcomers that have taken their place; and the increasing competition from Atlantic City and the growing list of other venues of legal gambling in the United States. Timely, wide-ranging, and well-informed, this eye-opening book traces the evolution of Las Vegas from Sin City to the Orlando of the West. Whether you are interested in gambling business or the changing face of America, *High Stakes* is fascinating.

24/7 Andres Martinez, 2013-02-13 In the spring of 1998, mild-mannered, Ivy League-educated Andrés Martínez took 50,000 most of the advance his publisher was paying for this book and headed to Las Vegas for thirty days, ten casinos, and a wild ride through the belly of a neon beast.
