

NOOTEBOOM

Rituals

a novel

"Rituals is an intelligent, incisive novel that follows the ups and downs and experiences of Louis Wainwright, a twentieth-century author, through twenty years of his life. In the end, reading Rituals is like walking through a very modern, well-proportioned art gallery full of art and visually striking paintings, offering a wealth of subtle and penetrating insights and observations. One could spend days in such a place, or book, pondering the nature of the world, or at least simply enjoying the skillful craftsmanship."

—Washington Post Book World

"Absolutely wonderful. . . . Rituals would attract American readers to Nooteboom."

—San Francisco Chronicle

"Nooteboom's very detailed renderings of his people's alienation, hold our attention, and turn grim into material into poems more concise."

—Chicago Tribune Bookworld

"A modern philosophical novel."
