Ghosts of Past and Future Darrell Schweitzer, 2008-06-01

Ghosts of Past and Future demonstrates Darrell Schweitzer's ability to astonish us with his range and depth as a poet. Those who encountered him first as an engaging satirist and parodist will rejoice in the emotional depth of this work, though they will also be edified by his flashes of macabre humor. Schweitzer's symphonic progress of poems begins with illuminating meditations on mortality and death. It then moves to splendid dramatic monologues informed by a sage's knowledge and an lover's empathy. The book's next movement expands into works of beautiful and intimate lyricism. It climaxes with a series of insights on the significance of death for humanity's and the reader's future. The book is more than a feast of death; it is an affirmation of human value and history. At the same time, Schweitzer has put the book together to carry the reader through as if reading a piece of gripping suspense fiction. An important and above all fascinating book. Mary A. Turzillo, Nebula-winning fiction writer and poet. Darrell Schweitzer is an outstanding exponent of contemporary imaginative literature. He has mastered a fine and very flexible kind of syllabic line, part free, part blank verse, achieving many definitive and memorable passages that haunt the shared corridors of our collective imagination. Donald Sidney Fryer, author of *Songs and Sonnets*. Atlantean.

Gahan Wilson's Out There Gahan Wilson, 2015-12-30. Gahan Wilson is probably best known for his macabre Playboy cartoons filled with charming monsters, goofy mad scientists and melting victims, and his cutting edge work in the National Lampoon, but in 1964 he brought his brilliantly controlled, wiggly but sophisticated pen line to The Magazine of Fantasy Science Fiction. Wilson's freaks and geeks found a home among the stories of the best fantasy and sf writers of the day, offering a welcome if sometimes macabre or existentially imponderable graphic break from the magazine's otherwise straightforward prose. Wilson's playfully black sense of comedy was on full display in these cartoons, delineated in his trademark roly poly, sensual, delicately hatched line. **Out There** features the over 250 cartoons that Wilson drew during his tenure with the magazine, as well as all four covers he rendered, none of which have seen the light of day since their first appearance 50 years ago. Wilson also contributed both short stories and movie and book reviews, which are included as well. **Out There** resurrects hundreds of virtually unseen cartoons by one of the 20th century's masters of the form.

Seasons of the Moon David Smith, 2005-10. Women are holy. The people of Weyburn, Ohio, practice a religion thousands of years old, the first religion. And the first law of this religion is that no one may harm a woman. One of them has broken this law. He is a rapist and killer, and he must be found and punished. Only his mother can decide what that punishment will be, because only
