**Detours** Salil Tripathi, 2015-12-29 When Salil Tripathi began writing a travel column for a well known newspaper he consciously decided to veer off the beaten track and not showcase the food and drink or the fabulous hotels and world class restaurants of a country. Instead it was his insights into a place that defined a country and its people when viewed from the prism of history, culture and literature. Culled from his extensive travel writings, *Detours: Songs of the Open Road* is split into three parts: the first section called *War*, the second titled *Words*, and the third called *Loss*. *Remembrance* is a wonderful personal journey about countries he visited with his wife who died in 2006 and which he later revisited with his sons as remembrance to a beloved. *Detours: Songs of the Open Road* is a remarkable travel diary of a man who holds your hand and takes you through fascinating journeys which you make your own by the end of his travel.
