Dissolving Co-Dependency Paula Horan, Brigitte Ziegler, 1992 Co dependency is one of the most talked about enigmas of our time It evokes a full spectrum of responses in each of us according to disposition Dissolving Co dependency gives a very in depth background to the real workings of the human mind Each chapter is followed by a simple exercise to help the reader assimilate each area of understanding You are also led step by step to a deeper grasp of your own personal idiosyncrasies which are keeping you stuck in robotic behavior patterns

Love Vs. Fear Ljiljana Johnson, 2014 Your mind is most powerful tool you can imagine it can be your best friend or your worst enemy You are the only person responsible for what is happening to you and if you see it any other way it is because of your mind and the way it is trained Imagine that you are a carriage and your thoughts are horses and if those horses are out of control guess what will happen Every horse your thoughts will keep pulling in their own direction without any regard to what will happen to the carriage which is you However if you learn how to tame your horses thoughts you will be in control of them This is the truth whether you believe it or not

Navigating the Medical Maze Steven L. Brown, 2007-12-01 Consumers are bombarded with competing health care suggestions Too often decisions are made from emotions peer pressure or marketing rather than through careful investigation Steven L Brown guides readers through issues impacting medical choices weaving a Christian worldview throughout his approach Beginning with the positive and negative attributes of medical doctors Brown examines principles of practice and the effect bias can have on a physician's recommendations The author also gives readers tools to navigate the world of alternative medicine and work through the emotional impact of illness A section of frequently asked questions rounds out an insider's view of some of the critical health care issues of our time

What Am I Here For? (ePub) Martin C. Bala,2024-03-19 We all go through life with similar struggles and desires but not everyone follows their childhood dreams not everyone is successful or at least feels that way There are also moments in your life when something unusual happens An accident a health problem or something bigger than your job your career In those moments life loses its meaning and you start to think Is what I am doing now all there is Is this what I dreamed of as a child What am I here for Similar questions have been on my mind for more than two decades of my life and I have found answers that I am willing to share with you in this book People who are truly successful do things differently than most and it is not too late for you to learn what they know Without finding your purpose true success can be very difficult to achieve It is never too late to change the way you think to act differently and to make a difference Everyone needs to believe in something even if it is only in their own abilities I invite you on an exciting journey of self discovery and the beginning of a new phase of your life What you will find in this book is a great insight into the psychology of who you are and a different perspective on widely accepted truths It will teach you how to work on yourself and apply the knowledge you find to your own life I ve turned my life around and so can you You already have what you need Find out how you can live the life of your dreams The world of subjective contrast and compassion Is a false world built entirely By each person s imagination Nothing is as it seems Zen proverb
