Girls, Visions and Everything, After Dolores S. Schulman.1997 Queer Jewish Strangers in American Popular Culture Amy Tziporah Karp, 2023-12-19 Queer Jewish Strangers in American Popular Culture Life Between Assimilation and Otherness explores LGBTQIA Jewish American identity in the United States and the gueer Jewish stranger figures who live in between incorporation and estrangement Amy Tziporah Karp establishes that despite the near ubiquitous portrayal of Jewish American assimilation as a finished project completed in the wake of World War II in academic disciplines and throughout popular culture many LGBTQIA Jewish figures in contemporary popular culture inhabit stranger positionalities In these stranger spaces characters are forced to either perpetually attempt to assimilate or inhabit this interstitial stranger identity that is often viewed as a nowhere or homeless space Those who pursue assimilating endlessly try to fit in to no avail such as Jenny Schecter from Showtime's popular The L Word who is ultimately killed off on the show possibly murdered by her LGBTQIA community of friends Karp shows that those who attempt to make a home in a stranger positionality align themselves with other estranged and othered peoples such as characters throughout Sarah Schulman's novels and that this constitutes an ethical stance against the ways in which assimilation often inadvertently supports the workings of violent hegemonies in the United States *Indomitable: The Life* of Barbara Grier Joanne Passet, 2016-11-01 Whatever else will be said about her and you can bet there will be plenty because Barbara was no stranger to controversy the one thing that is true above all else is that she was the most important person in lesbian publishing in the world Without her boldness and her audacity there might not be the robust lesbian publishing industry there is today Teresa DeCrescenzo Barbara Grier feminist activist publisher and archivist was many things to different people Perhaps most well known as one of the founders of Naiad Press Barbara's unapologetic drive to make sure that lesbians everywhere had access to books with stories that reflected their lives in positive ways was legendary Barbara changed the lives of thousands of women in her lifetime For the first time historian Joanne Passet uncovers the controversial and often polarizing life of this firebrand editor and publisher with new and never before published letters interviews and other personal material from Grier's own papers Passet takes readers behind the scenes of The Ladder offering a rare window onto the isolated and bereft lives lesbians experienced before the feminist movement and during the earliest days of gay political organizing Through extensive letters between Grier and her friend novelist Jane Rule Passet offers a virtual diary of this dramatic and repressive era Passet also looks at Grier's infamous theft of The Ladder's mailing list which in turn allowed her to launch and promote Naiad Press the groundbreaking women's publishing company she founded with partner Donna McBride in 1973 Naiad went on to become one of the leaders in gay and lesbian book publishing and for years helped sustain lesbian and feminist bookstores and readers across the country Murder by the Book? The first in depth study of a winning campaign against a state s abortion law and the first to chronicle the sterilization abuse fight side by side with the one for abortion rights A Woman's Life Is a Human Life is rich with firsthand accounts and previously unseen sources including those from Kornbluh s mother who wrote the first draft of New York s law decriminalizing abortion and their across the hall neighbor Dr Helen Rodr guez Tr as a Puerto Rican doctor who cofounded the movement against sterilization abuse In this dynamic surprising and highly readable history Felicia Kornbluh corrects the record to show how grassroots action overcame the odds to create policy change and how it might work today Queering Public Health and Public Policy in the Deep South Kamden K.
