Beatty,2022-12-14 George and Arthur are identical twins both are in college and living in late 1930s America They come from a rich upper class Baltimore family Their father had been taking the family on summer vacations to Miami Beach Finding Miami Beach to be too crowded the father changes directions and takes the family to a remote and less known vacation resort in South Carolina There the boys meet and fall head over rich privileged heels in love with a beautiful local girl who works as a cleaning girl who cleans the rental vacation cottages When they return the next year they start up a full blown love and sexual affair with the girl Melissa The girl falls in love with them both of them Both brothers want to marry the girl The situation lead to quite a rivalry between the two brothers which could lead to a serious break between them in the family The problem is that Melissa said she wants to marry BOTH men She says that she loves them both equally and cannot choose

between them In the end she refuses to choose between them saying that if they will not agree to a three way marriage she will live with them both in a menage a two arrangement anywhere While that could be worked out in backwoods mountain country it would be totally unacceptable in straight laced conservative Baltimore Brahmin society The boys do not want to leave their family home and situation By a series of events that include a savage barroom between the brothers and locals over the girl a fight in which one of the brothers seriously mutilates a knife welding redneck thug facing possible serious danger from angry locals who falsely blame the girl for provoking the fight the girl comes home with the boys to live with them as a cleaning girl in the family home in Baltimore much to the chagrin of the boys straight laced mother At home behind closed doors the boys carry on in secret the affair they started in Carolina At their sister s wedding reception both of the brothers propose to the girl with the one she does not choose agreeing to drop out of the picture Sill as much of a stubborn hillbilly girl as she was when they first met her Melissa again refuses to choose between them The issue unresolved as ever the affair otherwise continues in secret at the family house The years roll on Melissa marries out of necessity but which one did she choose Find out how this convoluted love affair ends *Duke* Terry Teachout,2013-10-17 A major new biography of Duke Ellington from the acclaimed author of *Pops A Life of Louis Armstrong* Edward Kennedy Duke Ellington was the greatest jazz composer of the twentieth century and an impenetrably enigmatic personality whom no one not even his closest friends claimed to understand The grandson of a slave he dropped out of high school to become one of the world s most famous musicians a showman of incomparable suavity who was as comfortable in Carnegie Hall as in the nightclubs where he honed his style He wrote some fifteen hundred compositions many of which like *Mood Indigo* and *Sophisticated Lady* remain beloved standards and he sought inspiration in an endless string of transient lovers concealing his inner self behind a smiling mask of flowery language and ironic charm As the biographer of Louis Armstrong Terry Teachout is uniquely qualified to tell the story of the public and private lives of Duke Ellington A semi finalist for the National Book Award Duke peels away countless layers of Ellington s evasion and public deception to tell the unvarnished truth about the creative genius who inspired Miles Davis to say All the musicians should get together one certain day and get down on their knees and thank Duke
