## Sophocles Trachiniae:

*The Trachiniae* Sophocles, 1962      *Sophocles: Trachiniae* Sophocles, 1982-10-28 Greek text with introduction and full commentary      **Tragic Rhetoric** Bruce A. Heiden, 1989 This innovative study of Sophocles Trachiniae deepens our appreciation of the enigmatic nature of Sophoclean tragedy and its place in the Athens of the Sophists By carefully examining the play's narrative and rhetorical strategies Bruce Heiden shows that the plot of Trachiniae must be constructed by the creative interpretation of the spectator or reader and he demonstrates that Sophocles extensive use of speeches reporting offstage events dramatizes the very problems that arise when rhetorical claims of knowledge conceal acts of interpretation Tragic Rhetoric will interest both classicists and students of literary theory      *Women of Trachis* Sophocles, 2021-03-03 A new translation of Sophocles's Greek tragedy suitable for a modern audience      *Trachiniae* Sophocles, 2021-04-02 This tragedy by Sophocles focuses on Deianeira wife of the hero Heracles She hears that he has fallen for another woman while away at war Deianeira brews a love potion putting into motion a series of regrettable events As is the custom in these Greek tragedies every central character ends up dead      *The Women of Trachis* Sophocles, 2014-10-12 The Women of Trachis named for the Trachinian women who make up the chorus dramatizes Deianeira's accidentally killing Heracles after he had completed his famous twelve labors Tricked into thinking it is a love charm Deianeira applies poison to an article of Heracles clothing this poisoned robe causes Heracles to die an excruciating death Upon learning the truth Deianeira commits suicide

*Women of Trachis* Sophocles, Ezra Pound, 1985 For Ezra Pound Sophocles Women of Trachis represented the highest peak of Greek sensibility registered in any of the plays that have come down to us Nothing rhetorical nothing long winded survives in Pound's tragedy of Herakles His language is lit with lights long extinguished in the traditionally ornate and airless verse translations With no mincing poetry speeds tragedy down its course to disaster Pound's version of Women of Trachis was first published by New Directions in 1957 Some twenty years earlier in 1938 Pound had complained that there were no translations of these plays that an aware man can read without deadly boredom He himself as it turned out supplied the remedy his Women of Trachis brings Sophocles into the world of the living      **A Study Guide for Sophocles's "Women of Trachis: Trachiniae"** Gale, Cengage Learning, 2016 A Study Guide for Sophocles's Women of Trachis Trachiniae excerpted from Gale's acclaimed Drama For Students This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust Drama For Students for all of your research needs      **The Trachiniae** Sophocles, 2025-03-31T01:55:50Z The Trachiniae is one of Sophocles lesser known plays yet it remains a powerful exploration of fate suffering and human fallibility Though its exact date of composition is uncertain scholars often place it later in the playwright's career possibly between 450 and 425 BCE The play's title refers to the women of Trachis the chorus who witness and reflect on the unfolding catastrophe The play begins with Deianeira wife of the absent hero Heracles expressing her fears about his long absence and possible infidelity

Her anxieties are confirmed when she learns that Heracles has sacked a city to claim the young princess Iole as his concubine Desperate to regain his love Deianeira sends Heracles a robe anointed with what she believes is a love charm a potion given to her years earlier by the dying centaur Nessus who deceitfully claimed it would ensure Heracles fidelity But unbeknownst to her the potion is actually a deadly poison that sears Heracles flesh subjecting him to unbearable agony This book is part of the Standard Ebooks project which produces free public domain ebooks *Rites of Passage in Ancient Greece* Mark William Padilla,1999 This volume reflects on liminality as it relates to initiatory themes in Greek literature and on literary works especially tragedy that represent heroes and heroines undergoing rites of passage Featured works include Aeschylus's Prometheus Bound Euripides Ion and Iphigenia in Tauris and Sophocles Antigone and Women of Trachis *The Trachiniae* Sophocles,2015-08-11 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant *The Trachinian Tragedy* Sophocles,2012-02-07 In the Trachinian Tragedy better known as the Women of Trachis the wife of Herakles Deianeira finds she has a rival in the house for her husband's affection The consequences of her counteraction are incredible In this faithful translation F L Light attempts to write as good a play in English as the original in Greek F L Light has also translated the Antigone of Sophocles It is always gratifying it elevates the human spirit to see one of our fellows set his aim unbelievably high and incredibly hit the mark David Madgalene bilingual author of I Hear A Journeyman Singing and many other books of verse Light has blended very well the traditions of Shakespeare Homer and the English language sonnet without erring on the side of pretense The language is high direct and modern I'm thrilled with these Zachary Bos editor of Sixty Six a journal of sonnet studies **Gendered Politics in Sophocles' Trachiniae** Gesthimani Seferiadi,2022-04-07 This is the first book length examination of the notion of gendered politics in Sophocles Trachiniae Making use of feminist theory and tackling the political nature of the categories of identity culture and sexuality Seferiadi brings the interpretation of Sophocles play up to date with the most recent scholarly developments She discusses the play in the light of its Amazonian and monstrous background and touches upon topics such as marriage and the exchange of women reciprocity within a corroded system of gift exchanges and the dynamics of female silence and the impaired

hegemonic masculinity Contributing to the topic of rape in the ancient world this book focuses on sexual violence and the intertwining of marriage and rape from the perspective of tragedy With an Amazon being placed within the civilized arrangement of an oikos the play negotiates the position of the female and advocates the need to expel the monstrous sexualities from the polis Differing from previous analyses this study is a reminder that female subjectivity was less foreclosed than is often tacitly assumed

**Witnesses and Evidence in Ancient Greek Literature** Andreas

Markantonatos, Vasileios Liotsakis, Andreas Serafim, 2022-01-19 The fact that aspects of witnesses and evidence put them in the centre of the institutional and cultural e.g. religious literary construction of ancient societies indicates that it is important to keep offering nuanced approaches to the topic of this volume To advance knowledge of the processes of presenting witnesses and gathering or constructing evidence is in fact to better and more fully understand the ways in which deliberative Athenian democracy functions what the core elements of political life and civic identity are and how they relate to the system of using logos to make decisions For witnesses and evidence were important prerequisites of getting the Athenian citizenship and exerting the civic political identity as a member of the community It is important therefore all the matters that relate to information gathering and decision making to be examined anew Emphasis can be placed on a variety of genres to allow scholars recreate the fullest and clearest possible image about the witnessing and evidencing in antiquity Chapters in this volume include considerations of social political literary and moral theory alongside studies of the impact of information gathering and decision making in oratory and drama with a steady focus on the application of key ideas and values in social and political justice to issues of pressing ethical concern

**Groaning Tears** E.P. Garrison, 2018-07-17

Groaning Tears examines suicide in Greek tragedy in light of the fifth century ethical climate No full scale work has previously been devoted to this pervasive topic The particular focus of identifying suicide as a response to the expectations of popular ethics and social demands makes it useful for scholars and students of drama ethics and sociology Chapter one establishes the ethical background of audiences in the fifth century while chapters two through five examine suicide in the context of whole plays based on motivational distinctions to avoid disgrace and preserve an honorable reputation to avoid further suffering to end grief and to sacrifice oneself for a greater good The final chapter considers a drama of lighter tone that presents suicide in all of its ethical and theatrical aspects
