Sore Winners Rightwing Ranters Patriotic Shoppers And Other American Idols:

Sore Winners John Powers, 2005-08-09 Politics and culture culture and politics They've never been normal in America but today they're weirder than ever Millionaire populists like Bill O'Reilly and Michael Moore dominate a political scene spinning ever further from the real world meanwhile we look to bizarre experiments like Survivor for our daily dose of reality In this wonderfully acerbic tour through our increasingly unhinged culture John Powers takes on celebrities and evangelicals pundits and politicians making sense of the mess for the rest of us He shows how we have come to equate consumerism with patriotism and Fox News with objective journalism and how our culture has become more polarized than ever even as we all shop at the same exact big box stores Insightful hilarious and critical of both liberals and conservatives this is one of the smartest and most enjoyable books on American culture in years
