OMG Roland D. Martinson,Prof. Kenda Creasy Dean,Don C. Richter,Amy Scott Vaughn,Dayle Gillespie

Rounds,2010-09-01 Most contemporary young people operate far enough from Moses moral compass that it never occurs to them that OMG oh my God in teenspeak has anything to do with the Ten Commandments much less that it breaks one of them After all the phrase is a nearly ubiquitous adolescent throw away line Yet Christians should hear the phrase oh my God differently Youth ministers parents teachers anyone who has ever loved an adolescent know that OMG can be a prayer a plea a petition a note of praise or an unbidden entreaty that escapes our lips as we seek Christ for the young people we love from the book Using six lens the authors detail current practices and tease out underlying questions as youth ministry becomes more self consciously aligned with practical theology Contributors include Kenda Creasy Dean Mike Carotta Roland Martinson Rodger Nishioka Don Richter Dayle Gillespie Rounds and Amy Scott Vaughn *Readings of Plato's Apology of Socrates* Oda E. Wiese Tvedt,Vivil Valvik Haraldsen,Olof Pettersson,2017-12-28 In Plato s Apology of Socrates we see a philosopher in collision with his society a society he nonetheless claims to have benefited through his philosophic activity It has often been asked why democratic Athens condemned a philosopher of Socrates character to death This anthology examines the contribution made by Plato s Apology of Socrates to our understanding of the character of Socrates as well as of the conception of philosophy Plato attributes to him The 11 chapters offer complementary readings of the Apology which through their different approaches demonstrate the richness of this Platonic work as well as the various layers that can be discerned in its presentation of Socrates While the contributions display variety in both topics and angles they also share common features An awareness of the importance of the literary aspects of Plato s courtroom drama as well as a readiness to take into consideration the historical context of the work Thereby they provide contributions to a manifold understanding of the aims and impact of the work without losing sight of the philosophical questions that are raised by Socrates confrontational and unrepentant defense speech Allowing the character of Socrates to take center stage the chapters of this volume examine the philosopher in relation to ethics and to politics and democracy as well as to the ideology religion and

virtue shared by the Athenians Readers will also find reflections on classical Platonic subjects such as the nature of Socratic philosophical inquiry and of philosophy itself as well as on the notoriously ambiguous relationships between philosophy sophistry and rhetoric and their several relationships to truth and justice The anthology emphasizes and explores the equivocal and sometimes problematic aspects of Socrates as Plato presents him in the Apology illuminating why the Athenians let the verdict fall as they did while drawing out problematic features of Athenian society and its reaction to Socrates philosophic activity thereby encouraging reflection on the role philosophy can play in our modern societies

becoming rampant Buddha's original messages dispel a lot of misconception and provide a guiding light for the right way of propagating spirituality. In this marvelous collection of short articles, Dr. King presents some of the key ideas from ancient Tipitakas, Buddhist sources for everything. The focus is on core principles carved out from otherwise difficult-to-understand and voluminous original Pali scriptures.

The Soul Care Leader Rob Reimer, 2022-11-29 How do we live a healthy life and lead others into spiritual, emotional, and relational health and wholeness? That is the focus of this book. Trying to help others find freedom and wholeness is draining work. What do we do to become healthy and maintain our well-being? What are the practices and rhythms we need to engage in to be effective Soul Care practitioners? How do we create a culture where life change flourishes? How do we minister in the power of the Spirit so that we can lead others into breakthroughs? Too often, people are talking about the same problems that they were talking about several years ago, but they aren't finding a path to freedom. We need to help people get to the roots and not merely manage their dysfunction and sin. These are the questions and topics that this book will seek to equip you in as you seek to live and lead people into freedom and fullness in Christ.
