Christian Mysticism's Queer Flame Michael Bernard Kelly, 2018-09-03 Is the Christian mystical tradition a relic of another time shaped by celibates for celibates unable to engage meaningfully with people of our time who embrace their corporeality and sexuality as crucial aspects of their journey towards union with God This book reflects in serious theological depth and detail on the spiritual and sexual journeys of gay men of mature and committed Christian faith employing the Christian mystical tradition as the lens and the interlocutor in this process This study examines the major themes and stages of the mystical tradition as outlined by Evelyn Underhill but also including more recent work by Ruth Burrows Thomas Merton and Constance Fitzgerald Using methods of qualitative research it then considers the texts of in depth interviews conducted with men most of whom are theologians or spiritual leaders with a deep Catholic faith and all of whom are openly self affirming gay Finally it employs Ricoeur's hermeneutical theory to engage in a creative theological conversation between the traditional mystical stages and themes and these men's lives as described in their interviews This is a unique

study that brings together ancient spirituality with contemporary lived religion As such it will be of interest to scholars of religious studies theology Christian mysticism and spirituality and queer studies It will be of particular interest to those teach spiritual direction and to all who seek new ways to engage with the spiritual lives of LGBTIQ people **In the Potter's Workshop** Robert P. Vande Kappelle,2019-03-08 When you think of God what images come to mind Do you see God in others Do you acknowledge God s presence in each circumstance and situation of your everyday life no matter how trivial How you conceive God determines how you experience God As contemporary author Frederick Buechner advises Listen to your life Listen to what happens to you because it is through what happens to you that God speaks While spiritual life of some kind is necessary for psychological health psychotherapist Thomas Moore indicates in *Care of the Soul* that excessive or ungrounded spirituality can be dangerous leading to compulsive and even violent behavior It is better for religious seekers to embrace a religious practice that has been tested and refined over time than to experiment solo or by joining some exotic new sect In this book Dr Vande Kappelle explores the richness of Catholic and Protestant spiritual traditions and the power of intuition and imagination to chart an approach to the sacred that is simple practical and effective Holistic religion requires three elements in creative tension a historical or institutional element a mystical or emotional element and an intellectual or scientific element If you want to know what this means and how it is accomplished read this book Designed as a study guide for group or individual use In the Potter s Workshop will challenge and inspire you to experience God in ways that are sustainable and transformative Desert Fathers and Mothers ,2012-08-01 Timeless and contemplative sayings from the earliest Christian sages of desert spirituality can be a companion on your own spiritual journey The desert fathers and mothers were ordinary Christians living in solitude in the deserts of Egypt Palestine Syria and Arabia who chose to renounce the world in order to deliberately and individually follow God s call They embraced lives of celibacy labor fasting prayer and poverty believing that denouncing material goods and practicing stoic self discipline would lead to unity with the Divine Their spiritual practice formed the basis of Western monasticism and greatly influenced both Western and Eastern Christianity Their writings first recorded in the fourth century consist of spiritual advice parables and anecdotes emphasizing the primacy of love and the purity of heart Focusing on key themes of charity fortitude lust patience prayer and self control the Sayings influenced the rule of St Benedict and have inspired centuries of opera poetry and art This probing and personal SkyLight Illuminations edition opens up their wisdom for readers with no previous knowledge of Western monasticism and early Christianity It provides insightful yet unobtrusive commentary that describes historical background explains the practice of asceticism and illustrates how you can use their wisdom to energize your spiritual quest Issues in Global Aging Frederick L Ahearn Jr,2014-03-18 Gain a new perspective on the international implications of our aging population This comprehensive book examines a broad array of international concerns in gerontology Issues in Global Aging addresses the implications of the rapid growth in elderly populations in both the Third World and industrialized nations including the US Israel Pakistan
