well as a sweeping survey of the liberal religious movements that touted it and ensured its continued vitality *The Hero of Italy and Other Poems* Mrs. L[ouisa] A[gnes] Czarnecki, 1804 *The Hero of Italy and Other Poems* Mrs. L. A. Czarnecki, 1861 Captains of Charity Mary Kathleen Eyring, 2017-07-04 In this thematically rich book Mary Kathleen Eyring examines authors whose writings were connected with their charitable endeavors which addressed the worst by products of the brisk maritime commerce in Atlantic seaport cities in the first half of the nineteenth century She argues that charitable institutions and societies emerged in this era because they captured and contained the discontent of imperiled and impoverished groups thereby effectively thwarting the development of a revolutionary class in America According to Eyring the men and women who most successfully wrote about and engaged in benevolent work strategically connected their work with the affluence generated by maritime commerce The water trades supported the growth of the American publishing industry but they also generated both vast inequities in wealth and physically and economically hazardous conditions that in the absence of a welfare state required the intervention of benevolent societies Laborers in Atlantic port cities barred from lucrative professions by gender race physical ability or social status found a way to make a living wage by conjoining the literary with the charitable and attaching both to a profit structure In so doing they transformed the nature of American benevolence and gave rise to the nonprofit sector which has since its inception provided discontented laborers with a forum in which to express their critique of for profit American enterprise by imitating it In *Captains of Charity* Eyring looks at writers who overcame their marginalized status by bringing together the strands of maritime industry publishing and benevolence These include Richard Allen and Absalom Jones two black clergymen who managed a massive relief effort when refugees fleeing revolution in Haiti transported the yellow fever virus to Philadelphia in 1793 Nancy Prince a free woman of color who sought her livelihood in the Protestant missions of Jamaica in the years immediately following Britain's emancipation of laborers in its Caribbean colonies Sarah Josepha Hale who parlayed the social influence she had gained as the founder of a seaman's aid society in Boston into a role as editor of the hugely popular periodical *Godey's Lady's Book* and Sarah Pogson Smith who donated the proceeds of her writing to such prominent charitable causes as the New York Institution for the Instruction of the Deaf and Dumb and then capitalized on the goodwill this charity work generated among her wealthy friends in New York City Philadelphia and Charleston Delphi Complete Dramatic Works of Thomas Dekker (Illustrated) Thomas Dekker, 2019-07-18 The Elizabethan dramatist Thomas Dekker was a versatile and prolific writer whose career spanned several decades and brought him into contact with many of the period's most famous dramatists Of the surviving plays that are entirely Dekker's work the best known are *The Shoemakers Holiday* 1600 and *The Honest Whore* Part 2 1630 which are typical of his work in their use of the moralistic tone of traditional drama His ear for colloquial speech served him well in his vibrant portrayals of daily life in London and his works are characterised for their boisterousness nature and an inimitable mixture of realistic detail and romanticised plot Dekker was also a writer of pamphlets celebrated
