employment banking and other tiers of society owned by the government including the government which contributes money to itself at the of other or otherwise not specified sources **Waverley Magazine** ,1860 **For the New Intellectual** Ayn Rand,1963-12-01 Here is Ayn Rand s first non fiction work a challenge to the prevalent philosophical doctrines of our time and the atmosphere of guilt of panic of despair of boredom and of all pervasive evasion that they create As incisive and relevant today as it was sixty years ago this book presents the essentials of Ayn Rand s philosophy for those who wish to acquire an integrated view of existence In the title essay she offers an analysis of Western culture discusses the causes of its progress its decline its present bankruptcy and points the road to an intellectual renaissance One of the most controversial figures on the intellectual scene Ayn Rand was the proponent of a moral philosophy and ethic of rational self interest that stands in sharp opposition to the ethics of altruism and self sacrifice The fundamentals of this morality a philosophy for living on Earth are here vibrantly set forth by the spokesman for a new class For the New Intellectual Dead Souls Nikolai Vasilievich Gogol,2016-01-06 INTRODUCTION Dead Souls first published in 1842 is the great prose classic of Russia That amazing institution the Russian novel not only began its career with this unfinished masterpiece by Nikolai Vasil evich Gogol but practically all the Russian masterpieces that have come since have grown out of it like the limbs of a single tree Dostoevsky goes so far as to bestow this tribute upon an earlier work by the same author a short story entitled The Cloak this idea has been wittily expressed by another compatriot who says We have all issued out of Gogol s Cloak Dead Souls which bears the word Poem upon the title page of the original has been generally compared to Don Quixote and to the Pickwick Papers while E M Vogue places its author somewhere between Cervantes and Le Sage However considerable the influences of Cervantes and Dickens may have been the first in the matter of structure the other in background humour and detail of characterisation the predominating and distinguishing quality of the work is undeniably something foreign to both and quite peculiar to itself something which for want of a better term might be called the quality of the Russian soul The English reader familiar with the works of Dostoevsky Turgenev and Tolstoi need hardly be told what this implies it might be defined in the words of the French critic just named as a tendency to pity One might indeed go further and say that it implies a certain tolerance of one s characters even though they be in the conventional sense knaves products as the case might be of conditions or circumstance which after all is the thing to be criticised and not the man But pity and tolerance are rare in satire even in clash with it producing in the result a deep sense of tragic humour It is this that makes of Dead Souls a unique work peculiarly Gogolian peculiarly Russian and distinct from its author s Spanish and English masters *Is the Soul Immortal? Or, A Biblical Analysis of Man, Etc* William Winters,1876 Seven Mistres Joanne Lowery,2004
