community participation in neighbourhood change *Local Resource Mobilization* Salma Mobarek, Md Nurul Momen, 2025-09-30 Bangladesh has one of the most centralized local resource management systems in Asia. It is however one of the lowest performing regions in terms of local resource mobilization. The book focuses on the union council otherwise known as a Union Parishads UPs which is the smallest rural local government unit in Bangladesh. The book examines the legal provisions and practices of resource mobilization at UPs to understand the effects of resource mobilization on development activities and the obstacles encountered by UPs when attempting to mobilize resources. Based on the extensive empirical research into UPs which includes surveys, focus group discussions, interviews as well as a review of government reports, working papers and legal frameworks, the authors argue that current legal provisions and practices in local resource mobilization are ineffective for their intended purpose. The book also suggests remedies and policy recommendations for the effective mobilization of local resources **Global Environmental Governance and Desertification** Dr. A. Kannan, 2012

Contemporary Perspectives in Corporate Social Performance and Policy Agata Stachowicz-Stanusch, Wolfgang Amann, 2018-01-01 The book *Contemporary Perspectives in Corporate Social Performance and Policy: The Middle Eastern Perspective* is our endeavor to deepen the current discussion about business and institutional activity in Middle Eastern countries and disseminate the new perspective of the scientific inquiry in the responsibility of various organizations operating in this part of the world. The book is divided into four parts: Introduction, Reality and Challenges of Corporate Social Performance, The Middle Eastern Perspective, Corporate Social Responsibility in Middle Eastern countries, Corporate Social Performance specific problems. There were included some theoretical and practical contributions into the topic of corporate social responsibility and corporate social performance based on experiences from different countries such as Israel, Turkey, United Arab Emirates. We hope that this volume will help to understand better this specific region and its business activities.

Strategic Public Personnel Administration Ali Farazmand, 2006-12-30 The history of public personnel administration is as old as human civilization itself. Persia, China, Assyria, Egypt, and Rome all practiced strategic personnel management, some systematically and others unsystematically. But despite the longstanding practice of strategic public personnel administration, the systematic study of this field is a fairly new development in the modern world. Today the need for strategic thinking in public personnel administration and human capital development is more urgent than ever before. Managing and coping with the challenges of transworld migrations of capital and labor, cyber employment and virtual workplaces, and relentless global pressures for results oriented performance all require the development of human capital as a key asset of modern governments and private organizations. Governments and public administration organizations must confront these challenges if they are to survive and thrive in the 21st century, and Strategic Public Personnel Administration provides a comprehensive analysis of the past development and current function of the field so as to give a clearly balanced picture of public personnel administration in both theory and practice. Today strategic public personnel management is a central component of strategic

governance and administration in public and nonprofit organizations Strategic personnel administration aims to lead organizations along the right paths with the necessary people on hand to achieve strategic goals and objectives in modern governance and public administration This two volume set fills a major gap in the current literature and it will serve as a key work that addresses the history knowledge policy management process and culture of public personnel administration with a strategic perspective

International Development Governance Ahmed Shafiqul Huque,Habib Zafarullah,2017-09-25 The establishment of good governance is a major challenge for the developing world along with the need to sustain the progress resulting from developmental efforts Although there are numerous studies on the

development and governance of emerging nations few volumes make a serious effort to bring together these two critical concepts International Development Governance combines the two concepts development and governance by examining the issues and problems faced by nations in their attempts to establish sustainable governance This textbook also initiates discussions on the concept of development governance in an international context The book fills the gap in existing literature by drawing upon the experience and expertise of scholars from a broad spectrum of knowledge Their views explain the issues and problems with reference to a number of tools that could establish development governance and sustain it The text offers in depth examinations of developmental sectors resulting in a textbook that will inspire future public officials policy makers and consultants to contribute to the betterment of life for citizens of developing countries **Bureaucracy and**

Administration Ali Farazmand,2009-06-23 Bureaucracy is an age old form of government that has survived since ancient times it has provided order and persisted with durability dependability and stability The popularity of the first edition of this book entitled Handbook of Bureaucracy is testimony to the endurance of bureaucratic institutions Reflecting the accelerated globalizatio

Organizational Innovation and IT Governance in Emerging Economies Zhao, Jingyuan,2014-11-30 As technology grows as the largest source of modern economic growth the emergence of new models is currently challenging the standard western model of organizational management Companies from all over the world have succeeded in creating emerging economies with these new models and are now competing with established multinational corporations

Organizational Innovation and IT Governance in Emerging Economies develops a methodological framework that supports new approaches of technological innovation by companies This reference book provides contributions from experts in emerging economies highlighting specific case studies of home grown companies from these emerging markets offering lessons on how traditional multinationals can compete with these new companies for policymakers government officers academics researchers students and practitioners *Russia's Changing Economic and Political Regimes* Andrey

Makarychev,Andre Mommen,2013-07-18 The book reveals the interconnection between social cultural and political protest movements and social and economic changes in a post communist country like Russia still dominated by bureaucratic rulers and oligarchs controlling all basic industries and mining activities Those interests are also dominating Russia s foreign policy and explain why Russia did not succeed in becoming an integral part of Europe The latter is at least wished by many Russian citizens *Democratic Recession, Autocratization, and Democratic Backlash in Southeast Asia* James Ockey,Naimah S.

Talib,2023-03-10 This book presents a new organizing framework for studying democratic recession and autocratization in Southeast Asia By introducing a new concept democratic backlash the book details how democratic recession inevitably provokes resistance that often forms the nucleus of new democratic movements and in doing so argues that it is important to identify these reverse trends that may eventually become dominant The book contributes to current literature which thus far has sought to understand the causes and consequences of the decline in democracy around the world Previous literature has

focused primarily on advanced democracies or alternatively on large scale quantitative comparison As such this book helps fill a research gap with its focus on Southeast Asia employing a comparative case study approach Chapter authors are experts on Southeast Asia a region that has experienced democratic recession and autocratization in a variety of ways from rising populism to military coups
