Back Fawn Germer, 2025-10-16 One of Entrepreneur's 8 Books You Should Read for a Successful 2021 Bestselling author and four time Pulitzer Prize nominee Fawn Germer offers advice about how to present yourself in the best possible way and make sure you stay relevant and valuable as an employee Newsweek Powerful tactics and some much needed tough love calls to action helping professionals who feel they're in a stalemate in their careers learn re-tool connect grow and get ready to work again Forbes A street smart inspiring practical and utterly honest book for renewing or resuming your career Millions of mid to late career professionals are wondering why our careers are dying We've been fired downsized job eliminated or we've left work voluntarily to raise children care for loved ones or go to school It takes twice as long to get hired and usually for far less money than we were making Is it age discrimination Maybe But it's not that simple So many of us have lagged on skills and technology shrugged off social media or ignored the rate of change and let younger people become the face of our profession's future Our track record really doesn't matter We want to come back but we aren't ready Coming Back offers clear advice including STOP PLAYING THE VICTIM even if you are one BRAND YOURSELF AS A CHANGE DRIVER who studies trends and studies independently so you are diving into change not reacting to it CALL IN THE CHITS It is time to go guerrilla and bluntly ask for help from people who can get you what you want and need TELL INTERVIEWERS about what you will do don't rely on what you have done STOP GROUSING about those millennials and start working with them BOUNCE BACK from a layoff or firing Coming Back shows how you can save a career if still employed or get one back if cast out Fawn Germer one of the nation's most popular leadership experts and global motivational speakers has personally interviewed more than three hundred CEOs senior executives professors lawyers organizational experts industry leaders and professionals The result is a tactical tough love call to action to learn re-tool connect grow and get ready to work again

And tomorrow is a new day Mahala Sanchez, Menachem Sanchez, 2025-09-10 Those who go through life attentively recognize many connections and inevitably come across the question Is the world a coincidence or is everything predetermined by God And what role do we ourselves play in this with our own actions Especially in our turbulent times the attentive observer has many opportunities and points of reference to reflect on themselves and their surroundings and thus experience or relive karmic currents Perhaps you can learn a lot about yourself or gain new insights revisit places and times from your past and understand your own karma an experience that can point the way forward The Day It Finally Happens Mike Pearl, 2020-09-22 From a VICE magazine columnist a deeply entertaining if occasionally horrifying Joshua Piven coauthor of The Worst Case Scenario Survival Handbook look at how humanity is likely to weather such happenings as nuclear war a global internet collapse antibiotics shortages and even immortality If you live on planet Earth you're probably scared of the future How could you not be Some of the world's most stable democracies are looking pretty shaky Technology is invading personal relationships and taking over jobs Relations among the three superpowers the US China and Russia are growing more complicated and dangerous A person watching the news has to wonder is it safe to go out there or not Taking

inspiration from his virally popular VICE column How Scared Should I Be Mike Pearl games out many of the could it really happen scenarios we've all speculated about assigning a probability rating and taking us through how it would unfold He explores what would likely occur in dozens of possible scenarios among them the final failure of antibiotics the loss of the world's marine life a complete ban on guns in the US and even contact with extraterrestrial life and reports back from the future providing a clear picture of how the world would look feel and even smell in each of these instances For fans of such bestsellers as What If and The Worst Case Scenario Survival Handbook The Day It Finally Happens is about taking future events that we don't really understand and getting to know them in close detail Pearl's well researched speculations induce daydreams and nightmares and mark him as one of his generation's most interesting writers Alec Ross New York Times bestselling author

Peter Lee's Notes from the Field Angela Ahn, 2022-05-03 Eleven year old Peter Lee has one goal in life to become a paleontologist But in one summer that all falls apart Told in short accessible journal entries and combining the humor of Timmy Failure with the poignant family dynamics of Lynda Mullaly Hunt Peter Lee will win readers hearts Eleven year old Peter Lee has one goal in life to become a paleontologist Okay maybe two to get his genius kid sister L B to leave him alone But his summer falls apart when his real life dinosaur expedition turns out to be a bust and he watches his dreams go up in a cloud of asthma inducing dust Even worse his grandmother Hammy is sick and no one will talk to Peter or L B about it Perhaps his days as a scientist aren't quite behind him yet Armed with notebooks and pens Peter puts his observation and experimental skills to the test to see what he can do for Hammy If only he can get his sister to be quiet for once he needs time to sketch out a plan
