side of the story alongside the vernacular one revealing how epics spoke to each other across the language gap and together
comprised a single Augustinian tradition of epic poetry Beginning with Petrarch s Africa Warner offers major new

caught the legendary Satchel Paige in barnstorming games from New Orleans to Walla Walla Robinson played several more
seasons in the Negro Leagues before finishing his career in Canada While his career was a solid one it was less spectacular
than that of his friend and Hall of Famer Satchel Paige and so more typical of the experience of most Negro Leaguers Richly
embroidered with the threads of black society and of life as a black athlete in a racially divided nation Robinson recounts his
long career with the skill and ease of a natural storyteller He covers in remarkable detail the personal perspective of the men
the teams and the times that shaped this uniquely American subculture From playing catcher for obscure industrial teams to
barnstorming with Satchel Paige he chronologically traces his nationwide path through the 1920s 30s 40s and early 50s The
