Terror From The Extreme Right

Mikkel Thorup

Terror From The Extreme Right:

Terror from the Extreme Right Tore Bjørgo, 1995 In many countries terrorism and political violence at the late 1980s and early 1990s have increasingly gravitated towards the extreme right in the direction of racism and extreme nationalism In most cases violence and harassment are directed against ethnic or social minorities such as immigrants left wing activists or homosexuals but sometimes even the political establishment is defined as an enemy and a legitimate target of violence What characterizes the ideologies and world views of right wing extremist groups Whom do they see as their main enemies and what kinds of threats are these enemies perceived to represent How do militant activists relate to the state the established power structures and wider political movements How and under what circumstances do aggressive ideology and rhetoric translate into actual violence and terrorism In this first general and comparative volume with a focus on right wing terrorism across the world ten leading experts address these questions Case studies focus on militant groups in North America South Africa Japan Italy Germany and the Scandinavian countries The findings throw a fascinating light on the international dimensions at right wing extremism and how racist ideologies travel and combine with other conceptions The authors have also made important observations on the relationship between ideological organizations and the less unorganized groups which often carry out most of the actual violence Other findings relate to the relationship between criminal behaviour and political violence and to the social background of the perpetrators The book gives new insight into the radicalization processes which produce right wing extremist violence Equally important however is the emphasis on factors and circumstances which might serve to restrain militant groups from following their extremist ideas to their ultimate violent conclusions

A Fortified Far Right? Katalin Petho-Kiss, Rohan Gunaratna, 2024-04-30 Petho Kiss and Gunaratna understand the nature of the threat posed by the far right because of their findings and they propose effective provisions and mechanisms for detecting and countering it The book undertakes a consistent procession and empirical examination of available information to arrive at the recognition that in order to dissolve the complexity of the associated threat we need to scrutinize the functioning of far right threat groups In depth and consistent analysis on their mode of operation and mindset enables us to identify ways to detect and counter their malicious efforts and activities The theoretical framework for the analysis lies upon the concept of wave theory The main question that this book examines is whether far right terrorism constitutes a new wave of global terrorism One question emerges from this statement that requires further elaboration Is far right terrorism a novel wave of terrorism If yes how is it novel and what are the novelties or developments in it This book is for scholars as well as practitioners in the counter terrorism CT and the prevention countering violent extremism PCVE field Through specific case studies students studying CT and or PCVE could gain insight into the operational functionalities of far right threat groups This may help them to get a more accurate understanding of the threat posed by these entities Examining the recruitment funding communication practices and modus operandi of worrisome threat actors equips us to design the

most effective countermeasures and identify the hiatuses in applicable legislative regimes

A Research Agenda for Far-Right Violence and Extremism Rohan Gunaratna, Katalin Pethő-Kiss, 2024-04-12 This prescient Research Agenda offers an in depth understanding of the increasing trend of far right inspired political violence As domestic extremism becomes a critical priority for governments worldwide editors Rohan Gunaratna and Katalin Peth Kiss scrutinize the threat landscape and analyze far right groups in countries of the greatest concern

The Canadian Far-Right and Conspiracy Theories Ahmed Al-Rawi, Carmen Celestini, Nicole K. Stewart, Joseph M. Nicolai, Nathan Worku, 2024-12-31 This book provides an empirical analysis mapping and assessment of Canadian right wing extremist RWE groups and their conspiracy theories While the majority of studies on RWE groups focus on American and European actors this book critically examines conspiracies disseminated by Canadian actors on different online sites and social media platforms The authors deploy a mapping metaphor to chart the conspiratorial ideas that RWE groups create and share online The book also examines the infrastructural terrain that supports mainstream and alternative platforms and the dark monetization structures that act as important conduits for this negative messaging Theoretically the study is situated within the concepts of dark social movements where dark participation on dark platforms often occurs A conceptualization of conspiracy theories is developed by exploring four specific aspects 1 topics 2 targets 3 concerns and 4 actors This concept is operationalized by applying it to BitChute and Telegram The book also offers a historical understanding of different RWE groups and their ideological positions In addition it provides an empirical investigation of Google s autocomplete feature Amazon books the Dark Web and several other alternative social media sites It will be of interest to researchers of Canadian politics conspiracy theories and the far right

The ethics of researching the far right Antonia Vaughan, Joan Braune, Meghan Tinsley, Aurelien Mondon, 2024-05-07 At a time when far radical and extreme right politics are becoming increasingly mainstream globally sometimes with deadly consequences research in these fields is essential to understand the most effective ways to combat these dangerous ideologies Yet engaging with texts and movements that do physical and verbal violence raises a number of urgent ethical issues Until recently this has remained understudied as scholarship on the far right rarely delves explicitly and critically into the ethics of research This book seeks to remedy this significant gap in an otherwise extensive and growing literature Originating from a workshop series in 2020 in which an international group of academics at various career stages shared the ethical challenges and best practices they had developed in their research this edited collection draws together insights from these ongoing conversations offering urgent critical reflections on key ethical issues

Terrorism J. Lutz, 2005-09-02 Terrorism is not a new phenomenon but has been present for over two thousand years It has been used to advance ethnic religious and ideological goals it has been used by dissidents and states to maintain control it has been used at times as a means for attaining or maintaining power for its own sake Terrorism has often appeared as a response to the intrusion of outside groups in established societies This book places terrorism in a historical and analytical context It is a

comparison of terrorist groups over time noting both similarities and differences It will also contribute to discussions of the underlying causes of terrorism by providing a broader context than is usually attempted It is important to put recent terrorist events in an appropriate context and to learn what history has to offer for dealing with this type of political violence

Neofascism in Europe (1945-1989) Matteo Albanese, 2022-09-30 The text represents a long journey in the debate that characterized the multifaceted political phenomenon of neofascism From the end of the Second World War until the fall of the communist regimes groups parties and individuals have given life to a network of action and thought that has developed above all around three major themes that have characterized the thought of historical fascism and that we can find at different latitudes during the course of the long period of time under consideration Racism contempt for equality and democracy and an issue linked to the state as an element of modernity these are the three levels of analysis around which the neofascist movement regroups debates and acts The meticulous reconstruction of that debate at a transnational level is the result of a long archival work with unpublished and illuminating papers on the issue of continuity between political cultures The text can be easily read by students of Humanities and Social Sciences courses but it is also pleasant for fans of the subject

Russian Radical Right in Exile, 1918-1945 Zbyněk Vydra, 2025-06-30 This book examines the development of the Russian radical right in exile between 1918 and 1945 The radical right which represented one of the most prominent groups of Russian political exiles both continued its pre revolutionary activities and at the same time was inspired by new ideologies of the interwar period primarily fascism Offering a comprehensive comparative analysis of the political activities and political thinking of individual groups of the radical right this book shows the groups political connections and radical right activities Groups included monarchists new groups founded by the younger generation of political for example the so called Mladorossy Young Russians Fascists Russian military migrants and the Russian Orthodox Church Abroad The biographical chapter examines leading ideologist of the monarchist right wing emigration philosopher Ivan Alexandrovich Ilyin This book demonstrates that the radical right represented one of the prominent political currents of Russian emigration This book is especially important in that contemporary right wing radicalism in Russia draws on the thinking of these right wing exiles very extensively It will be of interest to researchers in modern Russian history Russian emigration and right wing radicalism as well as 20th century history

Nuclear Terrorism G. Cameron, 1999-04-07 Will the twenty first century see terrorist fingers on the nuclear trigger How likely is it terrorists will obtain weapons of mass destruction What factors would determine their decision to use them Gavin Cameron assesses the causes for and implications of the escalating lethality of terrorism The growing opportunities for nuclear proliferation primarily arising from the collapse of the Soviet Union are explained The book concludes that the organisational and psychological pressures within terrorist groups and the changing nature of political violence combined with the heightened danger of nuclear micro proliferation have made mass destructive terrorism the greatest non traditional threat to international security in the world today

The Total Enemy Mikkel

Thorup, 2015-02-23 *The Total Enemy* explores the most radicalized forms of enmity trying to unravel some of its historical and contemporary expressions. Starting from the premise that one of modernity's constitutive values is non violence, the book explores how non violence or rather the making of a world free of violence becomes a cause of violence in some instances, even extreme violence and totalitarian terror. The book consists of six case studies, each exploring and discussing historically specific expressions of depicting an enemy as one the actors believe they can only deal with violently. It begins by looking at two important sites in the development of the total enemy: the French Revolution and the emergence of terrorist thinking in the middle of the nineteenth century. The book then turns to the twentieth century, beginning with the pre WWII conceptualizations of the total in European political thought as an answer to a liberal state deemed unfit to manage and control mass society. Secondly, it considers the totalitarian enemy in Nazi Germany, especially Soviet Russia. Finally, the book turns to two forms of contemporary total enmity: Islamism and in right wing extremism. These concluding chapters look specifically at what happens to the total enemy concept once it goes from the state concept of the twentieth century to the private practice of the twenty first.

Getting the books **Terror From The Extreme Right** now is not type of challenging means. You could not only going in the manner of books accretion or library or borrowing from your links to gain access to them. This is an unquestionably simple means to specifically get lead by on-line. This online declaration Terror From The Extreme Right can be one of the options to accompany you later than having new time.

It will not waste your time. take me, the e-book will utterly atmosphere you new concern to read. Just invest tiny era to approach this on-line declaration **Terror From The Extreme Right** as competently as review them wherever you are now.

Terror From The Extreme Right Introduction

In the digital age, access to information has become easier than ever before. The ability to download Terror From The Extreme Right has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Terror From The Extreme Right has opened up a world of possibilities. Downloading Terror From The Extreme Right provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Terror From The Extreme Right has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Terror From The Extreme Right. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Terror From The Extreme Right. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Terror From The Extreme Right, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Terror From The Extreme Right has transformed the way we access information. With the convenience, cost-

effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Terror From The Extreme Right Books

1. Where can I buy Terror From The Extreme Right books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Terror From The Extreme Right book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Terror From The Extreme Right books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Terror From The Extreme Right audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media

or recommend them to friends.

9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Terror From The Extreme Right books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
