Droit International, Vol. 24 (2011) Nikolaos Lavranos, Ruth A. Kok, 2017-06-01 The title of the Hague Yearbook of International Law reflects the close ties which have always existed between the AAA and the City of The Hague with its international law institutions and indicates the Yearbook's aim of devoting attention to developments taking place in the international law institutions based in The Hague. However, the Yearbook has a broader scope as well to offer a platform for review of new developments in the field of international law. As of the 2010 Volume, the Yearbook will be compiled by a new and expanded Editorial Board offering fresh ideas and a new approach. A newly established Advisory Board has also been added, including ICJ Judge Bruno Simma, Serge Brammertz, Prosecutor of the International Criminal Tribunal for the Former Yugoslavia, ICTY, Jacomijn J. van Haersolte van Hof, advocate, advocaat at HaersolteHof and arbitrator, The Netherlands, and Professor Peter Hilpold, Innsbruck University, Austria. Sections have been created on public international law, private international law, international investment law, and international criminal law, containing in-depth articles on current issues. The breadth of the Yearbook's content thus offers an interesting and valuable illustration of the dynamic developments in the various sub-areas of international law.
