Terrorists At The Doorstep:

Terrorists at the Doorstep Garland Ladd, 2005-08-04 Three malevolent teenage boys form a union to inflict retribution on society They devise a clever plan to kill thousands of their unsuspecting fellow citizens in a small US city Making their evil intentions even more egregious they find a unique way to operate under the auspices and assistance from al Qaeda who rewards them financially for their terrorist deed This fictional story is a startling reminder that terrorism truly is at our doorstep requiring vigilance from all of our citizens *The Terrorist Next Door* Daniel Levitas, 2025-04-16 September 11 2001 focused America's attention on the terrorist threat from abroad but as the World Trade Center towers collapsed domestic right wing hate groups were celebrating in the United States Hallelu Yahweh May the WAR be started DEATH to His enemies may the World Trade Center BURN TO THE GROUND announced August Kreis of the paramilitary group the Posse Comitatus We can blame no others than ourselves for our problems due to the fact that we allow Satan's children called jews sic today to have dominion over our lives The Terrorist Next Door reveals the men behind far right groups like the Posse Comitatus Latin for power of the county and the ideas that inspired their attempts to bring about a racist revolution in the United States Timothy McVeigh was executed for killing 168 people when he bombed the Alfred P Murrah Federal Building in 1995 but The Terrorist Next Door goes well beyond the destruction in Oklahoma City and takes readers deeper and more broadly inside the Posse and other groups that comprise the paramilitary right From the emergence of white supremacist groups following the Civil War through the segregationist violence of the civil rights era the right wing tax protest movement of the 1970s the farm crisis of the 1980s and the militia movement of the 1990s the book details the roots of the radical right It also tells the story of men like William Potter Gale a retired Army officer and the founder of the Posse Comitatus whose hate filled sermons and calls to armed insurrection have fueled generations of tax protesters militiamen and other anti government zealots since the 1960s Written by Daniel Levitas a national expert on the origins and activities of white supremacist and neo Nazi groups The Terrorist Next Door is painstakingly researched and includes rich detail from official documents including the FBI private archives and confidential sources never before disclosed In detailing these and other developments The Terrorist Next Door will prove to be the most definitive history of the roots of the American militia movement and the rural radical right ever written **The Terrorist Next Door** Erick Stakelbeck, 2011-05-02 The threat of terrorism in America the Obama administration assures us is contained and controlled Recent attempted attacks like the Times Square bombing the underwear bombing on a flight over Detroit and the attack on a Christmas tree lighting ceremony in Oregon were all isolated plots that failed anyway In the words of Homeland Security secretary Janet Napolitano The system worked Don't believe it In investigative reporter Erick Stakelbeck exposes the staggering truth about our national security the Obama administration is concealing and whitewashing the enormous terrorist threat growing right here within America's borders If you believe terrorism is only a problem for other countries Stakelbeck's on the ground reporting will

open your eyes He has been inside America's radical mosques visited U.S. based Islamic enclaves and learned about our enemies by going straight to the source interviewing al Qaeda linked terrorists themselves **Terror Outside the Door**

Donald Craig Miller, 2021-03-11 For first century private detective Jake Jezreel it was the best of times He had just wrapped up a scintillating investigation he called The Case of Trailing the Bloody Footprints Jake had met Jesus Christ in the midst of that investigation He had surrendered his life to Christ And Jake's life never would be the same again But suddenly in the afterglow of those joyous days after Jesus's resurrection the world collapsed in on top of Jake It abruptly became the worst of times Religious persecution descended upon the Christian church in Jerusalem led by the chief priests and zealous leaders wreaking havoc upon all Christ's believers In the midst of this persecution a new and savage animal sprang up whose name was Saul of Tarsus Saul attacked the Christian church with a vengeance aiming to wipe the Christian cult from the face of the earth Jake found himself and his faithful secretary Hannah caught in the onslaught and on the run The persecution was crashing in all around them Christians were being imprisoned Some were being brutalized Some were being killed For the moment Jake and Hannah stayed one jump ahead of the devouring enemy But how long could they avoid the clutches of the vicious mob chasing after them Wherever they hid the terror prowled right outside the door Could Jake and Hannah somehow dodge the relentless menace If they were caught what brutal tactics would the authorities savage upon them Jake knew that in a crossfire there is nowhere to hide He also knew that time was running out and the walls were slowly closing in upon them

A Knock at the Door Ory Slonim, 2021-12-21 Suppose one day your son or husband while serving in the military or working as a journalist is taken hostage by a terrorist group and you have no idea whether your loved one is dead or alive or how to even make contact with the insurgents holding him It's a nightmare scenario that has sadly taken place dozens of times in the past twenty years in the Middle East Here in the U.S. the government does not always get involved Instead it will engage the services of a neutral country to negotiate with the terrorists Unfortunately many times the terrorists insist on never ending demands in order to torment the family of the hostage Unlike Israel we've never had a central address for these types of scenarios But maybe after reading this book it's an idea we could and should consider Ory Slonim the international door knocker was an invention of necessity by the Israeli government There were many good and brave human beings involved in this matter Here for the first time is the story of the one man in Israel who for more than two decades was known as the door knocker He had been a private Israeli lawyer when he was asked to undertake on behalf of the Israeli government secret negotiations to find out the whereabouts of Israeli soldiers who were taken hostage by terrorist groups His ultimate mission was to bring them home dead or alive In his capacity as negotiator his story will take you into the

worlds of the furtive Mossad the twisted minds of terrorists the forever traumatized lives of the parents whose children never came home from battle and into Ory's own resilient compassionate and amazingly resolute negotiations when ordinary people would have easily broken down

The Jihadi Next Door Kimberly Mehlman-Orozco, 2019-01-15 The recruitment of ISIS terrorists may have begun as an extremist crusade in Iraq but it has quickly become a global phenomenon that is taking hold of people from diverse backgrounds cultures and belief systems The iconic image of a terrorist as an old angry middle eastern man is long gone It has since been replaced by young men and women of all races and religious upbringings in tactical gear and ski masks carrying heavy artillery From the outside looking into the Islamic State most people see these men and women as nothing more than evil terrorists with a psychotic penchant for violence Internally they perceive themselves as freedom fighters or mujahideen who violate the laws of men to protect their community according to the will of Allah Ultimately neither of these perceptions are based in reality While some experts claim that terrorist recruitment is completely random criminologist Kimberly Mehlman-Orozco has identified clear patterns which can be used to explain how regular people are being conscripted into terrorism Using interviews with convicted terrorists in depth research and analysis of extremist propaganda and case specific details Dr Mehlman-Orozco provides nuanced theories into the methods of

terrorist recruitment methods which can be used to identify persons at high risk of being targeted The Jihadi Next Door provides unprecedented information that can be used to actually combat terrorism By laying bare the tactics used by ISIS to deceive and exploit new recruits and exposing the veneer these extremists operate under Dr Mehlman Orozco hopes to empower readers with the knowledge needed to prevent future recruitment and thereby preventing acts of terrorism
