Terry Come Home:

Come Home, Indio Jim Terry, 2020-09-08 A Native American cartoonist shares his journey from childhood through struggles with alcoholism to a spiritual awakening at Standing Rock **OMG That's Her!** Francine A. Hart, 2023-12-28 About the Book *OMG That's Her* is the harrowing tale of a mother's heartbreak over watching her bipolar daughter suffer. This compilation of stories about her daughter's bipolar behaviors provides insight into how mental illness affects families. About the Author Francine A. Hart has been a schoolteacher for over twenty years and a volunteer in different community events and organizations. She enjoys camping, kayaking, hiking, and traveling to new places. She and her husband have been married for 30 years and have two children. **Terry** Samuel Claesson, 2024-09-25 Teresa Sheehan lived a life of joy, fulfillment, and compassion. It was a life that was taken far too soon, and she is missed by her family and friends. She achieved great success in her career while pursuing hobbies like painting and pottery. Her love of animals was matched only by her devotion to her family, of which she was the matriarch. In lieu of a funeral, I decided to publish this book about her life so that people will know what a wonderful person she was. We miss her, and we'll see her in Jehovah's kingdom soon. *Building Strengths and Skills* Jacqueline Corcoran, 2005 Corcoran Social Work, Virginia Commonwealth University provides social service and mental health professionals with practice models for helping clients identify resources to help themselves as well as areas where their skills can be increased. **Serious Intent** Margaret Yorke, 2013-04-23 Following retirement, Marigold returns to her home village. She is then gradually drawn into the lives of some young boys. Tensions mount, and in an intricate plot, danger looms with Marigold's own life being placed on the line. The characters in this novel hold secrets and intents which Margaret Yorke reveals with her usual skill. **The Five** Robert McCammon, 2025-06-25 Robert McCammon's first contemporary novel in nearly two decades. *The Five* tells the story of an eponymous rock band struggling to survive on the margins of the music business. As they move through the American Southwest on what might be their final tour together, the band members come to the attention of a damaged Iraq war veteran, and their lives are changed forever. This is a riveting account of violence, terror, and pursuit set against a credible, immensely detailed rock and roll backdrop. It is also a moving meditation on loyalty and friendship. Written with wit, elegance, and passionate conviction, *The Five* reaffirms McCammon's position as one of the finest, most unpredictable storytellers of our time. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied. **Russell Co, KY - Hist & Families**, 1996-06-15 **The Long Road Home** T.H.
